Curriculum

McGraw-Hill
K-12 SPED Math &
ELA Curriculum
& Social Studies

Arts & Letters
K-8 Language Arts
Curriculum

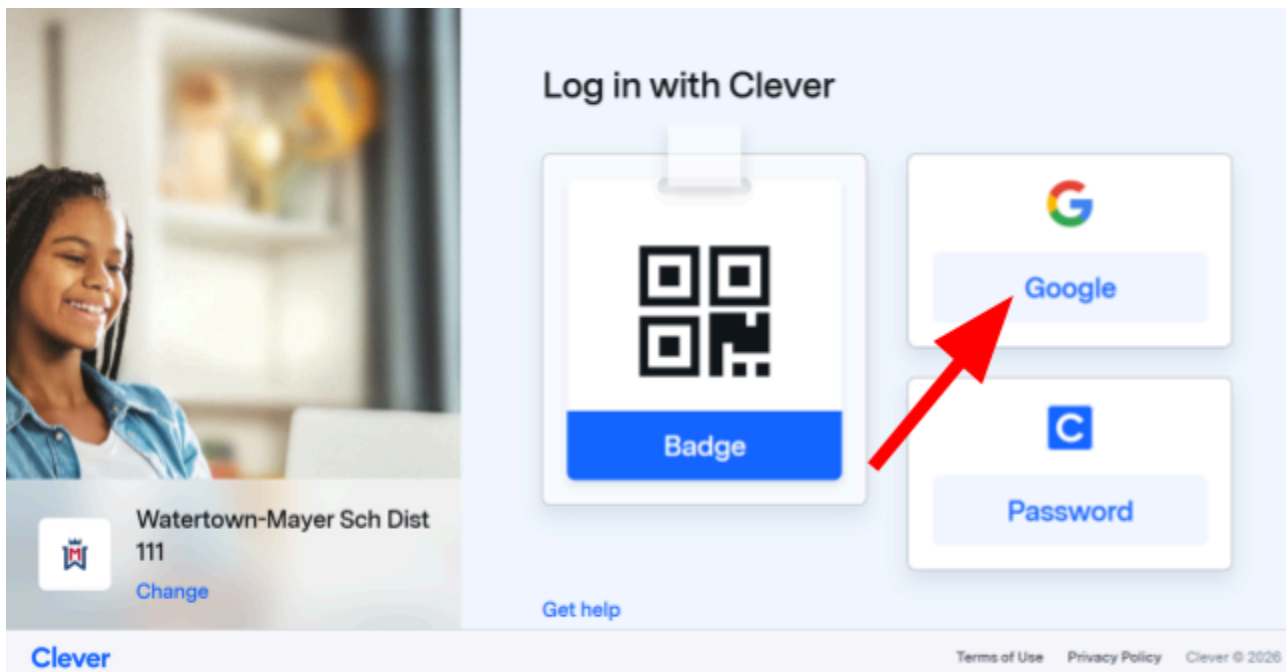

MackinVia
Access to e-books
and audiobooks

You can access these apps by logging in to Clever and Google from home.

Signing in to Clever from home

1. Go to clever.com/in/wmschoolsmn
2. At the login screen, select the option to sign in with Google

3. Your student can log in using their Watertown-Mayer Google Account.

Username: **firstname.lastname@wmroyals.net**

Default Password: **LastnameLunch#**

Password: Capitalize the first letter of your last name. No spaces.

If your child doesn't remember their lunch number, you can find this in your Campus Parent Portal.

Example: sammy.sampleton@wmroyals.net
Sampleton123456

NOTE: Students in grades 6-12 reset their Google passwords last year, so their password might not be the default password. They should know their Google password - this is the password that they use to log in to their Chromebook each day.

4. Once you are signed in, you will see the Clever Portal. Scroll down and click on an app icon to access that application.
