BACK TO SCHOOL INFORMATION:

Early Childhood Screening - Screen At Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten, but the best time to screen a child is between 3 and 4 years old. Screening is a brief, simple procedure used to identify potential health or developmental problems. Screening includes vision and hearing, height and weight, immunization review, large and small muscles, thinking, language and communication skills, as well as social and emotional development.

SCREEN @ 3

Register online:
<https://whitebear.arux.app>
or 651-653-3100

Early Childhood Screening takes place at:

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

Vaccines required for entering kindergarten:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Vaccines required for grades 1-12:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:

- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Instagram page.

Transportation

Busing information will be posted on the students' Parent Portal by August 25, 2026. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Health Services

Find information about head lice, immunizations, medications at school, and resources at the district's Health Services website, isd624.org/programs/health-services.

Free Breakfast and Lunch, Application for Educational Benefits

We are a part of Minnesota's Free School Meals Program, which means that all students can get one breakfast and one lunch free of charge each day at school.

Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important because your child(ren) may qualify for other benefits such as reduced sports/activity fees, reduced internet access and utility bills, reduced AP test registration and college application fees, reduced drivers training and more!

Complete the Application for Educational Benefits at the QR code above or online at www.schoolcafe.com/isd624. Paper applications can be requested by contacting Nutrition Services at 651-407-7515.

USDA is an equal opportunity provider.

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org (preferred) or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at <https://communityed.isd624.org>.

Scheduling requests should be made at least one week prior to the desired reservation date. If the desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

Preschool Programs

A variety of preschool options are available at various locations in the district for children who are 3 or 4 years old by September 1st. The full day programs located in elementary sites have access to busing and Bear Adventure Club options.

Our preschools are four-star Parent Aware rated and provide developmentally appropriate, play-based education with licensed preschool teachers that get kids excited about learning. In addition, we work to align our Early Childhood program with kindergarten to ensure a more seamless transition. Elements of that alignment include use of the ECIPS (MN state early childhood standards) to guide instruction, Handwriting Without Tears, implementation of the Conscious Discipline framework for social and emotional learning, and the use of limited assessments that allow us to understand student progress.

For more information on the locations, cost, and availability of our programs, please visit the website <https://whitebear.arux.app> and click on Preschool or call the Early Childhood office at 651-653-3100.

INFORMACIÓN DE REGRESO A LA ESCUELA:

Evaluación de la primera infancia -Evaluación a los tres

El estado de Minnesota exige la Evaluación de la primera infancia para todos los niños antes de ingresar al kínder, pero el mejor momento para evaluar a un niño es entre los 3 y 4 años de edad. La evaluación es un procedimiento breve y sencillo que se utiliza para identificar posibles problemas de salud o de desarrollo. La evaluación incluye visión y audición, altura y peso, revisión de vacunas, músculos grandes y pequeños, habilidades de pensamiento, lenguaje y comunicación, así como desarrollo social y emocional.

Ley de vacunación de estudiantes de Minnesota

La Sección 121A.15 de los Estatutos de Minnesota y el Capítulo 4604 de las Reglas de Minnesota requieren que cada estudiante inscrito y que permanezca en una escuela primaria o secundaria debe presentar un registro que indique que ha recibido las vacunas de acuerdo con los estándares médicamente aceptados. Se aceptan registros de vacunación de los padres o proveedores de atención médica que indiquen el mes, el día y el año de cada dosis. Si el estudiante o los padres cumplen con una de las exenciones legales (contraindicación por razones médicas o contraindicación por creencias sostenidas concienzudamente), el proveedor de atención médica o un notario debe firmar una exención adecuada.

Vacunas requeridas para ingresar al kínder:

- Hepatitis B: tres dosis
- DTaP: cinco dosis
- Polio: cuatro dosis
- MMR: dos dosis
- Varicela: dos dosis

Vacunas requeridas para los grados 1-12:

- Varicela: dos dosis

Antes de ingresar al séptimo grado:

- Tdap: una dosis
- Meningocócico: una dosis

Antes de ingresar al 12 ° grado:

- Meningocócica - dos dosis

Para obtener más información sobre las vacunas, comuníquese con la enfermera de su escuela o la oficina de salud.

Cierre de emergencia por clima

Cuando se toma la decisión de cerrar escuelas, se hará un anuncio en las principales estaciones de radio y televisión lo más temprano posible por la mañana. El anuncio identificará a nuestro distrito escolar como Escuelas del Área de White Bear Lake. También se harán esfuerzos para utilizar el sistema de alerta de notificación a los padres, para notificar a las familias del cierre de escuelas. Si no se hace ningún anuncio, las escuelas estarán en sesión según lo programado. Los padres también pueden consultar el sitio web del Distrito o la página de Facebook/Instagram.

Transporte

La información sobre el transporte en autobús se publicará en el Portal para padres de los estudiantes antes del 25 de agosto de 2026. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la hora programada para la llegada del autobús. Los estudiantes solo pueden viajar en autobús hacia y desde la escuela en la parada de autobús que se les asigne. Los estudiantes no pueden viajar en otro autobús a eventos como fiestas de cumpleaños, exploraciones u otras actividades. Los horarios de los autobuses son algo flexibles durante la primera semana de clases mientras los conductores se familiarizan con las rutas.

En caso de inclemencias del tiempo, los conductores de autobuses intentarán mantener sus horarios. Sin embargo, si las carreteras están heladas o cubiertas de nieve, los autobuses pueden llegar tarde y los padres y estudiantes deben planear de acuerdo al clima. Los padres deben usar su discreción al enviar a los niños afuera cuando el clima es extremadamente frío.

Para obtener más información sobre el transporte del Distrito, llame a la Oficina de Transporte al 651-407-7538.

Programas preescolares

Hay una variedad de opciones preescolares disponibles en varios lugares del distrito para niños que tienen 3 o 4 años de edad antes del 10 de septiembre. Los programas de día completo ubicados en sitios de primaria tienen acceso a opciones de transporte en autobús y de día extendido.

Nuestras escuelas preescolares tienen una calificación de Parent Aware de cuatro estrellas y brindan educación apropiada para el desarrollo basada en el juego, con maestros preescolares licenciados que entusiasman a los niños con el aprendizaje. Además, trabajamos para alinear nuestro Programa de la Primera Infancia con el Kinder para garantizar una transición más fluida. Los elementos de esa alineación incluyen el uso de ECIPS (estándares de la primera infancia del estado de MN) para guiar la instrucción, Escritura a mano sin lágrimas, implementación del Marco de disciplina consciente para el aprendizaje social y emocional, y el uso de evaluaciones limitadas que nos permiten comprender el progreso del estudiante.

Para obtener más información sobre las ubicaciones, el costo y la disponibilidad de nuestros programas, visite el sitio web <https://whitebear.arux.app/> y haga clic en Preschool o llame a la oficina de Early Childhood al 651-653-3100

Bear Adventure Club (cuidado de niños en edad escolar)

Bear Adventure Club es un programa fuera de la escuela diseñado para satisfacer las necesidades de las familias ocupadas y los niños activos. El programa atiende a estudiantes en los grados de pre kinder a quinto grado durante el año escolar. El Día Extendido complementa el día escolar, fomenta el crecimiento social y emocional y enfatiza la creatividad, el trabajo en equipo y comunicación y la actividad de los estudiantes.

El programa se centra en los jóvenes y se basa en opciones, las cuales brindan la oportunidad de desarrollar sólidas habilidades sociales y relaciones positivas. Las actividades diarias del programa incluyen salud y acondicionamiento físico, proyectos de servicio, artes, juego creativo, lenguaje y alfabetización, ciencia y más.

Bear Adventure Club ofrece programación antes y después de la escuela, así como programación de día completo en la mayoría de los días no escolares y durante el verano. El programa tiene enseñanza diaria con opciones de programación flexibles, incluidos contratos regulares y sin cita previa. Hay asistencia financiera limitada disponible.

Horario de operación:

Antes de la escuela 6:30 a.m. hasta que comience la escuela
Después de la escuela salida de la escuela hasta las 6 p.m.
Días no escolares 6:30 a.m. a 6 p.m.

Más información: <https://communityed.isd624.org/youth-programs/bear-adventure-club>

Registro en línea: <https://whitebear.arux.app>

Se requiere preinscripción para todos los niños. Los nuevos contratos requieren un mínimo de 5 días hábiles antes de que los estudiantes puedan comenzar en el programa.

Building Our Future Construction Update

With community support of our 2019 Building Our Future bond referendum, we created exceptional spaces for students to learn, grow, and thrive. We brought our high school students together in one building, opened Mariner Middle School and North Star Elementary, completed renovations and additions throughout the district, and transformed Sunrise Park to serve students, families, and our community.

Complete info about the district's facilities projects, including construction details about individual projects, additional videos and presentations, can be found online at isd624.org/BuildingOurFuture

Foundation of Success

Our objective is to ensure each student achieves their personal goals and desired career pathway.

Complete information about the district's Foundation of Success can be found at isd624.org/about/strategic-planning
