Grand Prairie, Texas 75052

Dear Champion for Education,

We are excited to invite you to become a Champion for Education of the Grand Prairie Education Foundation and join us in making a meaningful difference in the lives of students and educators throughout Grand Prairie ISD.

As a community, we share a commitment to helping our students succeed and providing our educators with the resources they need to inspire learning. The Grand Prairie Education Foundation works to strengthen educational opportunities across our district by supporting programs and initiatives that go beyond what traditional school funding can provide. Your partnership will make a difference!

Through your support of our Champions for Education Fundraiser, you will help provide funding for initiatives such as:

- **Educator Grants** that bring innovative ideas and additional resources into classrooms
- **Student Scholarships** that help students pursue their educational goals
- **STEM Opportunities** that encourage exploration, creativity, and innovation
- **Enhanced Learning Experiences** that provide students with opportunities beyond the traditional classroom
- **Support for Educators** that recognizes and invests in the individuals who make a difference every day

Your contribution is more than a donation—it is an investment in the future of our students, our schools, and our community.

As a Champion for Education, you will also have the opportunity to demonstrate your organization's commitment to education and to be recognized as a business or organization that believes in the success of Grand Prairie ISD students and educators.

We invite you to join us as a Champion for Education. Every contribution, regardless of size, helps us expand the opportunities available to our students and educators. Together, we can create a stronger educational experience and a stronger community.

To participate in the Champions for Education Fundraiser, please scan the QR code or contact us at gpedfoundation@gmail.com. Thank you for investing in the future of Grand Prairie ISD and for considering a partnership with the Grand Prairie Education Foundation. We are grateful for the businesses, organizations, and individuals who believe in our students and educators and help us make a lasting impact.

Sincerely,

Grand Prairie Education Foundation
