October 29 is FREE Senior Mini Sessions in the Warrior room from 9 am- 12 pm.

Seniors can sign up for a slot to be photographed and it will be sent through their email.

Students may have already been photographed by Cavanaugh at school, but you may also choose to have your student photographed in studio to ensure photos are touched up. Fees will occur either based on package pricing, or, for a fee of \$25, students may have a yearbook-only session.
