Title I Family Engagement Policy 2026 - 2027

Partnering with Families and the Community

As a Professional Learning Community, we are committed to involving parents, guardians, and community members not only in their children's education but also in the life of our school. Your engagement strengthens learning and builds a supportive school community.

We welcome your thoughts and feedback.

We value your ideas and input. If you have suggestions for changes, new strategies, events, or partnerships, please share them with the Principal, Assistant Principal, Community School Impact Coordinator, or any teacher. Your voice helps make Grant a stronger, more connected school community.

Communication Works Both Ways!

We want to make sure you are always informed and connected. We use multiple ways to share information with families:

- **School Messenger:** For large group announcements and flyers.
- **Grant MS Sunday Message:** Weekly updates delivered straight to your inbox.
- **Email:** Individual contact from your student's teachers. All staff emails are available on the Grant website.
- **Marquee Notices:** Important school information displayed outside.
- **Phone Calls:** Direct communication from the school.
- **ParentVue & StudentVue:** Access grades, attendance, and contact teachers.
- **Grant Middle School Website:** grant.aps.edu
- **Social Media:** Follow us on Facebook (Grant Eagles) and Instagram (grant_eagles).
- **REMIND App:** Stay connected with class or school updates.
- **Main Office Message Board:** Flyers and notices available for families.
- **Google Classroom:** Updates and resources directly from your student's teachers.

Opportunities to Get Involved

- **Volunteer at Grant:** Support our community; chaperone field trips; and assist with family events and school activities.
- **Share Your Voice:** Provide feedback and ideas to help strengthen parent and family involvement at Grant.
- **Participate in Schoolwide Events:** Join us for activities such as Bust Your Gut, Curriculum Nights, and other schoolwide celebrations and learning opportunities.
- **Attend the Title I Annual Meeting:** Learn about our Title I program, school goals, and ways to support student success.
- **Engage in School Committees:** Participate in Family Curriculum Nights, Community Council, and Instructional Council to help shape our school community.
