

MEET THE...

teacher!

WELCOME!

My name is Gretchen Archuleta and this is my 6th year in the Tumwater school district. I have taught K – 5th, but I am most excited to move from kindergarten to 1st grade with this amazing group of students! This year will be filled with exciting adventures. We will learn valuable social skills working collaboratively in a safe and holistic environment.

If you would like to support our classroom environment, please see our wishlist

ABOUT ME

I grew up in Texas, where I received my Bachelors of Arts from Tarleton State. I love teaching art, music, theatre, public speaking and English literature. I moved to Tumwater 10 years ago with my husband and 3 daughters. I received my Masters in Elementary Education from WGU in Jan. 2023. When we are not watching our girls play soccer for Harbor Premier FC, we enjoy skiing, camping and going to the beach with our minnie Aussie Kiki. In my spare time I also love quilting and shopping at Target.
