

# Five-Minute Friday

**Killingly Central School**

**AUGUST 28, 2026**

## **A Note From Ms. Caviggia:**

## Parent Drop Off/ Pick Up

Thank you for your unwavering patience with our parent drop-off and pick-up procedure. Although the line is quite long, we were successful in keeping Soap Street much less congested than in years past and enhanced the safety for students and staff. To assist with a smoother flow of traffic, please remember the following expectations:

- If you can remain in your vehicle while unloading your child, we would appreciate it.
- Please have your ID ready for staff during pick-up.
- Kindly have your child disembark on the passenger side of the vehicle.
- In an instance where your child may have difficulty disembarking, we will have you pull to the front of the school and walk your child to the front door. A staff member will assist.
- Please be sure to notify the front office if you are picking up your child and this is a change from their usual transportation plan.** Unplanned pick-ups do delay the line quite a bit.

We expect that, as families and students become more familiar with the routine, the drop-off and dismissal process will move much more quickly and efficiently.

*Please keep in mind that if you are picking up another child at KMS, we understand that there may be a longer wait while you make your way through their dismissal line. If you are running late, your child will wait safely in the KCS front office until you arrive.*

---

## Celebrations and Highlights

### Parent Meet and Greet

Thank you to everyone who attended our first Meet and Greet! Our staff was excited to welcome students and families and begin building those important connections before the first day of school. Having students visit with their families also helped support a smooth transition into the new school year—and, for some, into a brand-new school building.

## Community Flyers

---

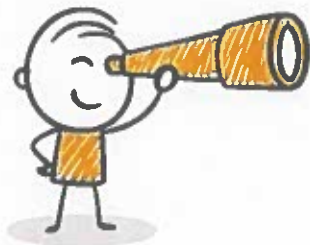

# Pyramid

At KCS, we follow the Pyramid SEL Framework. To learn more about Pyramid, please see the attached flyer:

---

## Looking Ahead...

### No School:

- Labor Day, Monday September 7th

## Questions or concerns?

If you have any questions or concerns, please don't hesitate to contact us. You can reach out via the following links:
