7. Dialogue

7.1. Monthly Budget Update Tiffany Brooks, District Finance Director

Discussion:

Dialogue: Audited beginning balance for the year \$ 1,152,672.11. Total GF revenue for the month of June was \$2,668,241.43. Total receipts for the year are \$28,076,749.75 or about 86.7% of what we were budgeted to receive. This doesn't include our on-behalf payments in our receipts. Expenditures for the month were

\$3,264,237.28. Total expenditures for the year are \$26,693,483.64 or about 79.7%. \$28,076,749.75 in revenue minus \$26,693,483.64 in expenditures leaves \$2,535,938.22. This is roughly a little more than \$1 million more than where we finished last year.

7.2. Courtney Newman BC Daycare Director- Price/Time Changes

Discussion:

Ms. Newman stated time change will be 5:30pm, she thinks this will benefit parents better. They would not have to rush and leave work early to get their child. She stated the daycare program would like to break even this year. She talked about combining all the schools into one. The central location would be Cannonsburg Elementary with state approval. She stated none of the daycares will be closed., they are just moving to one central location. She stated they will bus the daycare students first then start the routes. As of now they have only a few employees, if numbers go up, she would like to hire more. The ratio is 1 to 4 for after school programs. Ms. Newman stated the there are no grants in Kentucky for afterschool daycares. Mr. Boblett stated the big issue if that we are struggling to keep employees. Mr. Spade stated people are not wanting to stay due to our low pay, they are going to placers surrounding in the county for higher pay. The downfall with that is they are not getting insurance through the other schools, as we pay insurance with a low pay. Ms. Newman state bright wheel will be the state app platform used for payments and to notify parents along with parent square and the Boyd County web page. Ms. Lyons stated she thinks that advertising would really benefit the parents. She stated there was a survey sent out to parents asking if they need afterschool daycare. She wanted to get a head count to see where we stand. 23 have responded so far.
