7. Dialogue

7.1. Dialogue of Annual Formative/Preliminary evaluation of Superintendent Boblett as presented by Board Chairperson, Linda Day, pursuant to KRS 156.557(4)

Board Chair Linda Day stated The Board of Education has completed the end-of-year evaluation of Superintendent Bill Boblett for the school year 2025-2026. Mr. Boblett shared his self-evaluation and his plans for the next school year. The board was very happy with his plans for the upcoming school year and the direction he is leading us in.

We evaluated Mr. Boblett across the 4 standards that guide our work as a district: Instructional Leadership, Cultural Leadership, Managerial Leadership, and Collaborative Leadership.

Each of these standards are evaluated and rated by each board member. During his formative evaluation in February 2026 four board members rated him in each standard as Exemplary and one member rated him as Accomplished.

This past year has presented many challenges for our school and through it all, Mr. Boblett has demonstrated remarkable leadership. He has led with compassion, wisdom, and determination - guiding us through these difficult circumstances while keeping our focus on what matters most: our students and teachers. I am proud to say the board rated him as Exemplary in all 4 standards. He has built a strong, united team and created a culture of trust, respect, and accountability.

We believe this upcoming school year will prove to be one of our best yet. With Mr. With Boblett's leadership, we are confident we will exceed our goals and most importantly ensure that our students and teachers feel safe, supported, valued, and cared for.

As always, he puts the best interests of our students and staff first.
