September 2026

Dear Parents/Guardians:

We have had a successful start to the school year, and I am enthusiastic about the opportunity to partner with you as we work together to help our school reach new heights! With that goal in mind, I would like to invite you to attend our Back-to-School Night Program. The purpose of Back-to-School Night is to provide you with information about our instructional program and course requirements, as well as give you the opportunity to meet and become acquainted with your child's teachers.

Morris Knolls High School is hosting two Back to School Nights again for the 2026-2027 school year. Your attendance is based on the following system:

September 17, 2026 is the date for attendance by parents of students whose last names begin with **A through L**.

September 24, 2026 is the date for attendance by parents of students whose last names begin with **M through Z**.

I respectfully request that all parents abide by this alphabetical breakdown due to our limited ability to provide adequate parking for the entire parental population at one time. Handicapped parking is available at the Auditorium entrance and in the staff parking lot. Additionally, we have the availability of an elevator that can be utilized to move between floors.

The Back to School Night Program begins promptly at 7PM. Parents are asked to report directly to their child's Block 1 class. Please have your child fill out their schedule attached to this page and bring it with you in order to follow the program for the evening. As a reminder, our program is not planned for private conferences about individual students.

Grade Reporting/Graduation Requirements

Morris Knolls High School continues to ensure that its community remains on the cutting edge of technological advancement for both instructional and administrative delivery. The district is committed to the latest technologies available as they make their way onto the educational stage, enriching both the classroom instructional arena, as well as those systems that bring critical information to the community at large.

Toward that end, Morris Knolls High School will continue to post the report card through the district's parent portal via ASPEN. For any parent who may not have computer accessibility to secure the report card on-line, a request, in writing, can be made through the School Counseling Office indicating that a paper report card is to be mailed to the home. Any such request shall be granted.

With Golden Eagle Pride,

Ryan MacNaughton
Principal

Please have your child complete their schedule and bring it with you so that you can follow the program for the evening. You may also access your child's schedule through Aspen. Report directly to your child's Block 1 class by 7:00 PM. Each teacher will give a short summary of his/her subject, homework assignment, and method of grading.
