Schedule Building

Directions:

1. Brainstorm/reflect on your current, daily family schedule and add them below. Example: take siblings today care/school, Dr. appointments, practices, meal times, etc.
2. Add required OVS engagement times. In-person and online lessons**.**
    a. Add other schedule constraints (appointments, work, practice, etc.)
3. Add chunks of time throughout the week, for your learner to complete daily lessons:
    a. **HS Daily lesson considerations**: 1.5-2 hours per course per day
4. Hang the schedule and refer to it and reflect on it regularly. Adjust as needed.
