A NOTE FOR PARENTS

We don't do much in terms of welcoming you today, in part because we know that you, too, know the routine. That said, we hope you get the chance to say hello to your child's dorm head, for they will be working closely together to manage the dorm. You are certainly welcome to return for orientation meetings that begin in dormitories at 12:30 p.m. on Monday, September 7. And, of course, all parents are cordially invited to a reception at the Head of School's home later that afternoon between 2:15 and 3:30 p.m.
