Section 1A: Literacy Vision and Mission Statement

1. What is the school/system's focus and mindset around literacy?
2. What is the primary, overarching goal and expected or intended outcomes for the school(s) around literacy?
3. Are the vision and mission statements inclusive of all leaders, teachers, students, and families?

Literacy Vision	All students will become confident, proficient readers, writers, speakers, and thinkers through equitable access to high-quality literacy instruction, targeted support, engaging learning experiences, and strong partnerships among educators, families, and the community.
Literacy Mission Statement	Our school is committed to implementing evidence-based literacy practices grounded in the Science of Reading, ensuring every student receives high-quality Tier I instruction, targeted interventions when needed, and opportunities for extension and enrichment. Through ongoing professional learning, data-based decision making, and meaningful family engagement, we will develop lifelong readers and learners prepared for future success.

Section 1B: Literacy Goals

1. What are the overall literacy goals?
2. What are the student -focused [leading and lagging goals](#), including individual subgroups?
3. What teacher -focused goals lead to students meeting their goals?
4. What are the program -focused goals for creating structures that help students and teachers succeed?
5. How is the plan to measure these goals?

Goal 1 (Student-Focused)	• By the end of the 26-27 school year, our 3rd grade teachers will engage in data-driven collaboration to implement evidence-based literacy strategies to ensure at least 80% of our students score above 424. • We will increase the percentage of students proficient in ELA in grades 3rd – 5th from 50% to 55% as measured by • We will increase the percentage of SWD proficiency in ELA in grades 3rd – 5th from 34.4% to 37.4% as measured by Leading Indicators • Percentage of students meeting benchmark on literacy screener. • Percentage of students making progress toward Individual Reading Improvement Plan goals. • Student attendance in intervention and extension groups. • Percentage of students proficient on curriculum based assessments. Lagging Indicators • End-of-year literacy screener results. • LEAP ELA performance. • Percentage of students reading on grade level.
Goal 2 (Teacher-Focused)	By May 2027, 100% of literacy teachers will participate in ongoing professional learning focused on HQIM implementation, including literacy instructional practices,

Section 1B: Literacy Goals

	assessment analysis, intervention delivery, and Science of Reading-aligned instruction. Measurement • Professional learning attendance records. • Walkthrough data. • Observation feedback cycles. • Teacher collaboration artifacts. • HQIM implementation rubrics. • Monitoring of student progress on HQIM assessments.
Goal 3 (Program-Focused)	90% of weekly ILT and TC meetings will utilize curriculum based assessments from HQIM to evaluate the effectiveness of Tier I core instruction. 100% of literacy teachers will receive continued coaching and feedback around tier I instruction and small group support. Measurement • ILT/TC Agendas • Bullseye observation feedback cycles • Bullseye classroom walkthroughs • Intervention progress-monitoring reports.

Section 2: Explicit Instruction, Intervention and Extension

[Louisiana's Tiered Pathways for Literacy Support](#) [Louisiana Department of Education website](#). (TPLS) Framework guides implementation of healthy Tier I core instruction and extension, as well as effective Tier II and Tier III interventions.

While acceleration, intervention, and special education services are essential, they cannot replace coherent literacy instruction using high-quality instructional materials (HQIM). Healthy Tier I instruction for all students is the best prevention measure against overloading the intervention system. This section is designed to support Tiers I, II, and III instruction.

Section 2: Explicit Instruction, Intervention and Extension

Tier I	- Are Tier I instruction and small -group support consistently delivered by a classroom teacher trained in the effective implementation of approved HQIM? - Strong Tier I instruction should result in at least 80% student mastery in overall class assessment data. - Are curriculum -based assessments from HQIM used consistently to evaluate the effectiveness of Tier I core instruction? - Is the Instructional Leadership Team (ILT) trained in the implementation and evaluation of the HQIM? - Is there a regular walkthrough schedule to determine support around Tier I? - Is the ILT responding to data to support a healthy Tier I? - Are teachers and leaders effectively trained in unit and lesson preparation (K-2 Skills Unit , K-2 Skill Lesson , K-2 Knowledge Unit , K-2 Knowledge Lesson , 3-12 Unit Preparation , 3-12 Lesson Preparation) - What data and resources are being used to support extension ?
Amount of time spent on daily literacy skills instruction and how it is used	Grades K-1 120 minute literacy block 75 minutes foundational skills instruction 45 minutes knowledge-building and comprehension instruction Grades 2 120 minute literacy block 60 minutes foundational skills instruction 60 minutes knowledge-building and comprehension instruction Grades 3-5 90-120 minute literacy block - Whole-group HQIM instruction - Small-group reading and writing support - Intervention and extension opportunities based on data Instruction is driven by HQIM, formative assessment, student work analysis, and literacy screener results.

and instructional materials used	• District approved HQIM • DIBELS 8 State Literacy Screener • Supplemental intervention resources aligned to core instruction and Science of Reading expectations All materials are aligned to state standards and free of three-cueing practices.						
Tier II	1. Is the Tier II intervention being provided by a classroom teacher/tutor or other extensively trained literacy educator using approved HQIM? 2. Are curriculum-based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier II intervention? To support the established program focused goal, we will 3. Does the skill of the intervention and the progress monitoring tool align with the identified needs of the student based on current literacy assessment data? 4. Do student schedules ensure they are not pulled from Tier I core instruction to receive Tier II intervention? 5. Has progress monitoring of Tier II intervention occurred bi-weekly or weekly, depending on the needs of the student as indicated by assessment data?						
Tier II plan, including the amount of time	Students identified through screening and progress monitoring receive: • <i>Minimum</i> 20 minutes daily • 3-5 days per week • Small-group intervention • Explicit instruction focused on identified skill deficits • Progress monitoring every two weeks or more frequently as needed Students continue to receive full Tier I instruction without being removed from core literacy instruction.

Tier III	1. Is the Tier III intervention being provided by a literacy staff member who possesses deep conceptual knowledge and specialized skills in reading instruction and has been fully trained in the adopted Tier III curriculum? 2. Are curriculum-based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier III intervention? 3.
