Armed Services Vocational Aptitude Battery (ASVAB)

Attention Silverado Sophomore Families!

On Thursday, September 24, 2026, all Silverado High School sophomores will be participating in the Armed Services Vocational Aptitude Battery (ASVAB).

What is the ASVAB?
The ASVAB is a career exploration and aptitude assessment that helps students discover their strengths and interests. While it is commonly associated with military careers, students do not have to be interested in joining the military to benefit from taking the ASVAB. Many schools use the ASVAB as a valuable career-planning tool to help students learn more about careers that match their skills and abilities.

Understanding ASVAB Scores

Students receive an AFQT score ranging from 1–99. Students who earn a score of 50 or higher on the ASVAB may qualify toward earning the Career Ready distinction on their diploma upon graduation. Please note: A qualifying ASVAB score is only one of several requirements needed to earn the Career Ready distinction. Students should meet with their school counselor to learn about all of the requirements and determine their eligibility.

Juniors and Seniors
Students in 11th or 12th grade who would like to retake the ASVAB must register in advance using the Google Form below:

ASVAB Registration Form:
https://docs.google.com/forms/d/e/1FAIpQLSeSncA1Z1MEy17B6aoQd_wXKQIIAONQRCSKnnZKhp5jLcShDw/viewform?usp=publish-editor

Please note that STUDENTS who are interested must fill out this form using their CCSD Gmail that has been assigned to them. This is the only way to assess this form

We encourage families to discuss this opportunity with their students. The ASVAB is an excellent resource for career planning and can provide valuable information to help students make informed decisions about their future after high school.

Importance of Attendance

Did you know that missing just a few days of school each month puts a student at a much higher risk of falling behind and dropping out? Every class day counts toward your child's success.

How You Can Help:

- **Send students to school every day** unless they are running a fever or have a contagious illness.
- **Submit absence notes promptly:** Parents/guardians must submit absence documentation online or in person for any missed days.

Please Note: Students who accumulate more than **10 unapproved absences** in a single course will be denied course credit and issued a failing grade.

Thank you for partnering with us to prioritize learning and attendance!

Athletics

Homecoming Football Game Reminders

Please keep the following guidelines in mind for the upcoming Homecoming football game:

- **Bag Policy:** Backpacks are not permitted inside the stadium for any Silverado football games.
- **Transportation:** Please arrange and confirm your ride home prior to the end of the game and/or the Homecoming dance.
