Agenda Items:

- Welcome New SGT Members
  - Deanna Land
  - Nicole Weber
- New Appointments
  - Ann Booker
  - Heather Anderson
  - Emilee Harris
- Coffee Talk Revamp
  - Great success this morning! Today's was specifically for kindergarten parents
  - 20+ people came
  - Next coffee talks
    1. What to expect for conferences
    2. Preparing for testing (on the parent side)
    3. 5th grade transition to middle school
  - Offering coffee talks in Spanish and English
  - Made lots of connections today!
- Fall Assessments
  - LDAs (Literacy Diagnostic Assessments)
    - ORF (Oral Reading Fluency)
      - This year, students are reading 3 passages at a time.
      - Sometimes, students could be fluent in one and less in another.
  - MAP

        - Fall testing window hasn't closed yet, so at next meeting we will look at Fall data.
    - Amira
        - K-3
        - It's a dyslexia diagnostic, so it's another piece of data that we can use.
- Literacy SSG
    - Based on LDA data
    - Groups will start after Labor Day
    - Have routines expected for phonics and comprehension groups. These are specific so that students are all getting access to instruction.
- Spring Data Highlights
    - MAP—Shared end of last year MAP data
        - Math—Growth percentiles at end of last year were great across the grade levels
            - This year we have new math curriculum but still want teachers to keep doing what they're doing because of great growth from last year
        - Reading—Still good growth but want to make changes in instruction to improve more for this year
        - Looking at every student's growth to inform instruction for this year
    - ORF—strong predictor for comprehension; percent of students at mastery was not great for end of last year
        - Focusing on what teachers are doing during small group instruction with specific routines
        - Discussed what exactly the grade will look like for support during super small groups
