

District Strategic Plan Snapshot

Academics

Create a supportive, data-driven educational environment that promotes academic achievement, accountability and lifelong learning skills, preparing students for success both academically and in real world context

School Management

To develop smart enrollment strategies, and efficient operations that support student success and the long-term sustainability of the district, while establishing a supportive and structured environment that fosters positive behavior, and future readiness for all students.

School Pride & Engagement

Strengthen connections among the staff, students, families, and the broader community to foster a positive and collaborative culture that supports student learning, staff engagement, community involvement, and pride in the school's identity and shared success.

Communication Internal & External

Enhance transparency through a structured, consistent, & inclusive communication approach.
