5-Day E-Learning Checklist – Algebra 1

Materials: Math Nation Workbook + Math Nation Online

Day 1 – Video + Notes
☐ Log in to Math Nation and watch the *next video* in our current section.
☐ Fill out the guided notes in your workbook.
☐ Upload a picture of your notes.

Day 2 – Practice Problems
☐ Complete the next set of practice problems in your workbook.
☐ Show all steps in your work.
☐ Upload a picture or complete the online check if available.

Day 3 – Test Yourself!
☐ Go to the *Test Yourself!* questions in Math Nation for the section we are on.
☐ Complete all questions.
☐ Submit a screenshot of your score OR write corrections for missed problems.

Day 4 – Review Day
☐ Choose 1–2 earlier sections (ex: solving equations, graphing lines, factoring).
☐ Watch 1 review video.
☐ Do 5–10 practice problems from that section.
☐ Upload your work + write: *"The hardest part today was…"*

Day 5 – Reflection + Practice
☐ Finish 1 more page of workbook practice problems in the current section.
☐ Re-watch any video that was confusing.
☐ Write 3 sentences about what you learned this week.

Remember:

- Watch the video **first** before doing problems.
- Use the **Ask a Tutor** feature if you get stuck.
- Submit your work in Teams **each day**.
