EASTON AREA SCHOOL DISTRICT

Aug 28, 2026

Dear Parent or Guardian:

We are pleased to inform you that Easton Area School District will be continuing the Community Eligibility Provision (CEP) in the 2026-2027 school year. This program is available to schools and districts that are participating in the National School Lunch and School Breakfast Programs.

All enrolled students of Easton Area School District, regardless of economic status or building location, are eligible to receive a nutritional breakfast and lunch each school day at **no charge** to your household.

No further action is required of you. Your child(ren) will be able to participate in these meal programs without paying a fee or submitting an application. However, you will still need to fill out an application with the state to receive all other state benefits that you may qualify for including fee waivers. This can be completed on the COMPASS website. If you have any questions regarding the application process, please contact the helpline at 800-692-7462.

For further information please visit the Food Services page on the Easton Area School District website.

Sincerely,

Jack Trent

Chief Financial Officer

Easton Area School District
