Transportation Changes – Important Reminder

If you need to notify the office of a change in transportation for your child(ren), please **call or email the office before 1:15 p.m. for middle school and before 2:15 p.m. for elementary school.**

If your child(ren) will be **riding home with another student**, whether by **bus or parent pickup**, we need to hear from **both families** before the change can be approved.

If riding the bus:

The school will issue a **bus note** for the student. A bus note is required even if the students normally ride the **same bus** but the student will be getting off at a **different bus stop**.

The bus driver **will not allow a student to ride a different bus or get off at a different stop without a bus note from the school.**

We cannot guarantee that transportation change requests received after the designated times will be communicated to your child(ren) in time.

Thank you for your understanding and cooperation as we work to ensure all transportation changes are properly communicated and that students get home safely.

Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

Parents: With more families dropping off and picking up their children before and after school, please be mindful not to block the bus entry or exit areas. Buses need to be able to enter and leave the bus pick-up and drop-off area safely and on time.

Administrators will be on hand during these times to help direct traffic and ensure the bus areas remain clear.

Please do not park in the bus zone or the student drop-off and pick-up zones.

Thank you for your help in keeping our students and staff safe!

PARENT INVOLVEMENT

Parents – If you haven't already, *please* complete the free or reduced meals program application. It's found online at the school's website under the Meal Services tab. While this is voluntary, please know that even if you don't think you'll qualify, completing and returning the form greatly helps our food services manager ensure that all students who should have access to this program are receiving this assistance. Some additional information regarding the free or reduced meal program:

- **Only one application is required to be submitted per family.**
- **All families must reapply each calendar school year.** If your family previously qualified, your student(s) will be given a grace period the first 2 weeks of school until your new application is processed.
- **Our school is its own school district** - Even if you qualified for this program at another school, you need to submit an application to our food services manager for our school.
- **Reapplication** - If you are not eligible now, but have a change in household circumstances during the school year, such as a decrease in household income, an increase in household size, become unemployed, or if anyone in your household receives food stamps, TAFI, or FDPIR, please complete another application at that time to re-determine qualification.
- **Eligibility for free or reduced priced school meals benefits is based on any one of these three things:**
 - your total household income and household size in the month the application is filled out, or the month before; or your child's individual status as foster, homeless, migrant, or runaway; or participation in an assistance program by any member of your household.
- **Your information is kept confidential** – Only the food services manager reviews and has knowledge of the information contained on the forms.
- **2026-2027 Reduced Meal Prices:** .30 cents for breakfast, .40 cents for lunch.

Contact Information: Parents and Guardians, remember if any of your contact information changes during the year, especially your nighttime residence, please let the school office know so that our records are always up to date.

School information provided in another language: If a parent or guardian in the home needs school information translated into another language, please contact the school office at office@victorycharterschool.net.

School Calendars: The school calendar for this year and next is on the school's website. The calendars are posted at least one year in advance to help families plan their year without affecting their students' school attendance.

Reminder: Parent/Student Communication During the School Day

All parent/student communication during the school day must go through the **school office**. Parents should not contact their child directly during the school day by cell phone, smartwatch, or other electronic device.

CELL PHONES/SMARTWATCHES

Students are not permitted to use cell phones or smartwatches in **cellular mode during school hours**. Any cell phone or smartwatch being used as a phone or computer device that is out during school hours will be **confiscated by an Administrator**.

For the remainder of the school year, students whose devices are confiscated will be required to **turn the device in to the Administrator at the beginning of each school day**. The device will be returned to the student at the end of the school day.

Students are responsible for keeping track of any electronic devices they bring to school. **The Charter School is not responsible for the loss, theft, or destruction of devices brought onto school property.**

Thank you for your cooperation in helping us maintain a safe and focused learning environment.

Please review the following policy regarding student clothing. These guidelines apply to all students, K–12, regardless of gender.

Remember, rather than asking if your child's school day was "good," or if they "had fun," ask them specifics, such as: "What's one important thing you learned today?" "What did you read about in your class novel today?" "Who were you able to help today?"
