Our School Philosophy

Victory Charter School is grounded in the belief that when there is low threat and content is highly challenging, accelerated learning takes place.

Victory Charter School opened in 2004 to answer parents' demand for another Harbor School in our area. Since those early years, more than 80 charter schools have opened, and our local area has grown rapidly. To make sure we're top of mind when it comes to education choices, we're launching a marketing effort in concert with our fellow Harbor Method Schools. In the coming weeks, you may see our ads on streaming and social media platforms for us, Liberty, and Legacy, and richer content on our Facebook and Instagram pages. Our goal in doing so is to share what your children already experience -- a safe environment and challenging academics that drive accelerated learning -- so that others know this could be an option for their children too. Thank you for your support of our school and all the ways you are involved in your students' education!

Our School

Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

Transportation Changes – Important Reminder

If you need to notify the office of a change in transportation for your child(ren), please **call or email the office before 1:15 p.m. for middle school and before 2:15 p.m. for elementary school.**

If your child(ren) will be **riding home with another student**, whether by **bus or parent pickup**, we need to hear from **both families** before the change can be approved.

If riding the bus:

The school will issue a **bus note** for the student. A bus note is required even if the students normally ride the **same bus** but the student will be getting off at a **different bus stop**.

The bus driver **will not allow a student to ride a different bus or get off at a different stop without a bus note from the school.**

We cannot guarantee that transportation change requests received after the designated times will be communicated to your child(ren) in time.

Thank you for your understanding and cooperation as we work to ensure all transportation changes are properly communicated and that students get home safely.

PARENT INVOLVEMENT

Free & Reduced Lunch Reminder

If you haven't filled out a Free and Reduced Lunch application for this school year, please do so as soon as possible. The carryover from last school year will end on **September 21**. After that date, students who do not have an approved application will be charged the full-price lunch rate.

The application is available on the **Victory website** or at [Free and Reduced Application-Online](#).

To pay for school lunches, you can use **MySchoolBucks.com**. When setting up your account, select **Victory** as both the district and the school.

Please review the attached Parent Notifications-Federal Programs.

Contact Information: Parents and Guardians, remember if any of your contact information changes during the year, especially your nighttime residence, please let the school office know so that our records are always up to date.

School information provided in another language: If a parent or guardian in the home needs school information translated into another language, please contact the school office at office@victorycharterschool.net.

School Calendars: The school calendar for this year and next is on the school's website. The calendars are posted at least one year in advance to help families plan their year without affecting their students' school attendance.

Reminder: Parent/Student Communication During the School Day

All parent/student communication during the school day must go through the **school office**. Parents should not contact their child directly during the school day by cell phone, smartwatch, or other electronic device.

CELL PHONES/SMARTWATCHES

Students are not permitted to use cell phones or smartwatches in **cellular mode during school hours**. Any cell phone or smartwatch being used as a phone or computer device that is out during school hours will be **confiscated by an Administrator**.

For the remainder of the school year, students whose devices are confiscated will be required to **turn the device in to the Administrator at the beginning of each school day**. The device will be returned to the student at the end of the school day.

Students are responsible for keeping track of any electronic devices they bring to school. **The Charter School is not responsible for the loss, theft, or destruction of devices brought onto school property.**

Thank you for your cooperation in helping us maintain a safe and focused learning environment.

Parent Teacher Conferences

We are starting to work on our schedule for Parent Teacher Conferences. Conferences will be held before and after school on **Monday, September 29, Tuesday, September 30, and the morning of Wednesday, October 1.**

These are normal school days for students and teachers.

If you have a preferred day or time, please email the office at office@victorycharterschool.net, and we will do our best to accommodate your request.

Remember, rather than asking if your child's school day was "good," or if they "had fun," ask them specifics, such as: "What's one important thing you learned today?" "What did you read about in your class novel today?" "Who were you able to help today?"
