

Mission 
 Through the power of our four
 houses and one family,
 Silvercrest Elementary cultivates
 academic excellence, leadership,
 character, and meaningful
 connections that empower every
 Stallion to thrive.

Vision 
 Silvercrest Elementary will be a
 model learning community where
 every Stallion embraces
 leadership, demonstrates
 kindness, achieves academic
 success, and positively impacts
 the world around them.

Join us on Monday, September 14th for the

Family House Parade!

On Grandparent's Day, we invite grandparents and family members that can stand in place of grandparents (moms, dads, aunts, uncles, cousins, etc.), to join our Family House Parade! Students will be outside in the bus circle and in the car circle at 8:15am. We invite you to dress up and decorate your car to represent your Stallion's house or houses! All cars will slowly follow the parade route for students to see! We can't wait to see all the creativity our families can bring!

Please RSVP your car in the parade by filling out the form below!

Wellness NEWSLETTER

September 2026 - Starting Strong

Healthy Start

Welcome back! The first few weeks are all about building routines, relationships, and confidence. We hope you find the tips and information in this newsletter beneficial to your family.

Counseling Corner

All the Feels
The first few weeks of school can be a BIG adjustment! Your child may come home excited one day and exhausted or frustrated the next. All these feelings are normal. New teachers, classmates, routines, and expectations take time to get used to.

Take Time to Connect

Instead of just asking, "How was your day?" and getting the typical "fine" response, try one of these questions instead:

- *What was one good thing about today?
- *What was something that felt tricky?

Nurse Notes

Sleep Tight, Shine Bright!

- *Establish a consistent bedtime and wake-up routine.
- *Recommended age-appropriate sleep for elementary children: 9-12 hours per night.

Fuel Up for the Day!

- *Breakfast helps provide the energy children need to start their school day.

Spread Kindness Not Germs

- *Reminder to wash hands with soap and water for at least 20 seconds
- *Wash hands before and after eating, using the restroom, or after coughing, sneezing, or blowing their nose

Keep Us in the Know!

- *Update any emergency health information and provide medication forms to the clinic.
- *Notify the nurse of any changes in your child's health needs

60 Second Reset

Try: Five Finger Breathing

Feeling frustrated, worried, or overwhelmed? Hold up one hand. Slowly trace around each finger while breathing in and out. 5 fingers = 5 slow breaths! Practice this when your child is calm. Coping skills are easier to use when we've practiced them ahead of time!

RESPECT

Family Newsletter

PurposeFull
People

Respect Overview

This month's focus is Respect. One way to think about Respect is "seeing value in all people and things & treating them with care." Many people feel Respected in different ways. We hope this month inspires discussions with your family about what Respect means to you and how you can practice it together!

Respect is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- Can you share or show what Respect means?
- What is 1 way you have practiced Respect lately?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Respect. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

A fun way to remind students to show Respect to others is to create a non-verbal cue. As a family, come up with a non-verbal way to cue your student to remember to show Respect to others. An example of this would be anytime you raise the "Respect Rooster" on your hand by closing the middle 2 fingers and bringing your pointer finger and pinky finger up, your student would be reminded to practice living out Respect.

#2

Review Respect as a family! In our lessons we are teaching that Respect means to see value in people and things and treat them with care. Agree as a family to set aside a certain time each day this week to unplug from devices and plug into family time. It shows Respect to practice being present in the moment without the distractions that can come from technology. Debrief and discuss this challenge afterward. Consider to embracing this practice at least 1 day each week!
