Chorus - eLearning Day 2

Focus: Structured Piano Practice

Name: _____ Date: _____

Objective: Use deliberate practice strategies to improve accuracy, coordination, and fluency on current piano repertoire.

SC Standards Connection: 2026 SC CCR VPAPS - Choral Music: Performing; independently prepare music and evaluate technical progress.

Directions: Complete all work independently. Use school-appropriate music/media. Show your thinking and use complete sentences where requested.

Practice Plan

Practice your current piano repertoire for approximately 60 minutes. Do not simply play from beginning to end repeatedly.

Time	Focus	Section/Measures	Problem Noticed	Strategy / Improvement
10 min	Warm-up			
15 min	Right hand			
15 min	Left hand			
15 min	Hands together			
5 min	Run-through			

Reflection

1. What improved the most today?

2. What still needs work?

3. What will you do differently during your next practice session?
