Chorus - eLearning Day 4

Focus: Performance Comparison

Name: _____ Date: _____

Objective: Compare two vocal performances and evaluate interpretive and technical choices using musical evidence.

SC Standards Connection: 2026 SC CCR VPAPS - Choral Music: Responding; analyze and evaluate performances using musical criteria.

Directions: Complete all work independently. Use school-appropriate music/media. Show your thinking and use complete sentences where requested.

Choose Performances

Choose TWO different performances of the SAME school-appropriate song.

Performance A: _____

Performance B: _____

Comparison

Category	Performance A	Performance B
Tempo		
Dynamics		
Diction		
Tone/Timbre		
Phrasing/Breath		
Interpretation		
Stage Presence		

Written Evaluation

1. Identify one musical choice Performer A makes that Performer B does not.

2. Which interpretation do you prefer? Defend your answer using at least FOUR musical terms.

3. What is one choice from either performer that you could apply to your own singing?
