What is a School-Parent Compact?:

The school-family compact is a written agreement between administrators, teachers, parents, and students. It is a document that clarifies what families and schools can do to help children reach high academic standards.

Every family has been provided a copy of the Rogene Worley School-Family Compact.
The signatures on this page assure that each party is committed to their part.

Jointly Developed with Parent/Guardians:

The school-parent compact was developed through collaborative efforts among parents/guardians, students, and staff. Teachers actively engaged with their subject area teams to devise practical strategies for parents/guardians to implement at home. Valuable feedback from parents/guardians regarding their needs in supporting their students was provided. Additionally, students contributed their ideas as well which were incorporated into the compact.

To ensure its effectiveness, annual meetings are conducted to assess and modify the compact based on the school's academic achievement goals and the evolving needs of the students. Parents/guardians are encouraged to offer feedback on the compact throughout the school year, with all input being collected and reviewed during the yearly revision meeting with parents/guardians.
