AI TECHNOLOGY TOOLS
INTERACTIVE WORKSHEET

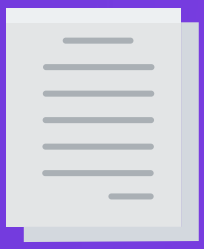

STEP 1

Click on the video icon to watch and learn about AI Technology. Make sure to complete the worksheet after watching the video.

STEP 2

Click on the icon below to Complete this worksheet over the different types of AI Tools.

STEP 3

As a class we are going to create a pros and cons list over AI Tools. Before we discuss this as a class, click on the icon to take a couple minutes to create your own list.

STEP 4

Complete this final activity over the ripple effect that AI could have on you, your community, and the world. Click the icon to begin.
