

# AmazeWorks Opt Out Form

## Grade 4

SSPPS 4th Grade Families,

We recognize the diversity of perspectives in our community and respect each family's unique values and preferences. As part of our commitment to transparency, equity, and supporting the social-emotional growth of all students, we want to ensure you have options that best meet the needs of your family.

Please feel free to connect with your school's principal to preview any of the curriculum listed below to help you make an informed decision. We respect each family's decision to opt out of specific lessons and remain committed to creating a supportive school environment for all students.

If you would like to opt your child out from specific book titles or topics in the AmazeWorks program, please complete the information below and return this form to your child's classroom teacher or school principal. We will continue to honor the Opt-Out Forms families have already submitted. New forms are only needed if family preferences have changed.

We value your partnership in creating a safe and supportive environment for all students. Thank you for your continued collaboration.
