

BISSONET BULLETIN

September 2026

A Message from our Principal

Dear Bissonet Families,

Thank you to everyone who joined us for Open House! We were thrilled to see so many of our families, and we appreciate you taking the time to visit our school, meet your child's teachers, and learn more about the exciting year ahead. Open House is one of the first steps in building a strong partnership between home and school. Open communication and active family participation are essential to your child's educational success, and we look forward to working together throughout the school year.

During the month of August, our teachers have been busy getting to know your children as learners. They have administered beginning-of-the-year diagnostic assessments, analyzed previous end-of-year data, and used this information to better understand each student's strengths and areas for growth. Over the next month, teachers will begin working with students to establish individual learning goals. Our goal is to ensure that every student knows what they are working toward and understands the steps they can take to achieve success.

As we continue to strengthen our communication with families, please remember to check your child's red folder every day. Important information, handouts, permission forms, and documents requiring signatures will be sent home throughout the year. Checking the folder daily will help ensure that you don't miss important announcements or deadlines.

We are also excited to kick off our first fundraiser of the school year, The Giving Market, on Thursday, September 10th! Students will receive information about how they can participate, earn prizes, and help raise money for our school. We appreciate your support as we work together to provide additional opportunities and resources for our students.

Our first Tuesdays Together event will be held on Tuesday, September 15th, at Airline Skate Center. We hope to see many of our Bissonet families there! These events provide a wonderful opportunity for our families to come together, build relationships, enjoy time with one another, and support our school community through fundraising.

Virtual Parent Conference Days will be held September 15–17. This is another important opportunity to connect with your child’s teacher, celebrate their progress, and discuss any questions or concerns you may have. Please reach out directly to your child’s teacher to schedule a virtual or phone conference.

At Bissonet, we believe that every student matters, and our partnership with families plays an important role in helping every child grow and succeed. Thank you for entrusting us with the incredible gift and responsibility of educating your children. We are grateful for your continued support, partnership, and commitment to our school community.

As always, please feel free to reach out to me at 504-887-0470 or nancy.suarez@jpschools.org. I look forward to a wonderful school year filled with learning, growth, and success for all of our students!

With appreciation,
Nancy Suarez
Principal
Bissonet Elementary

Turn In Important Documents

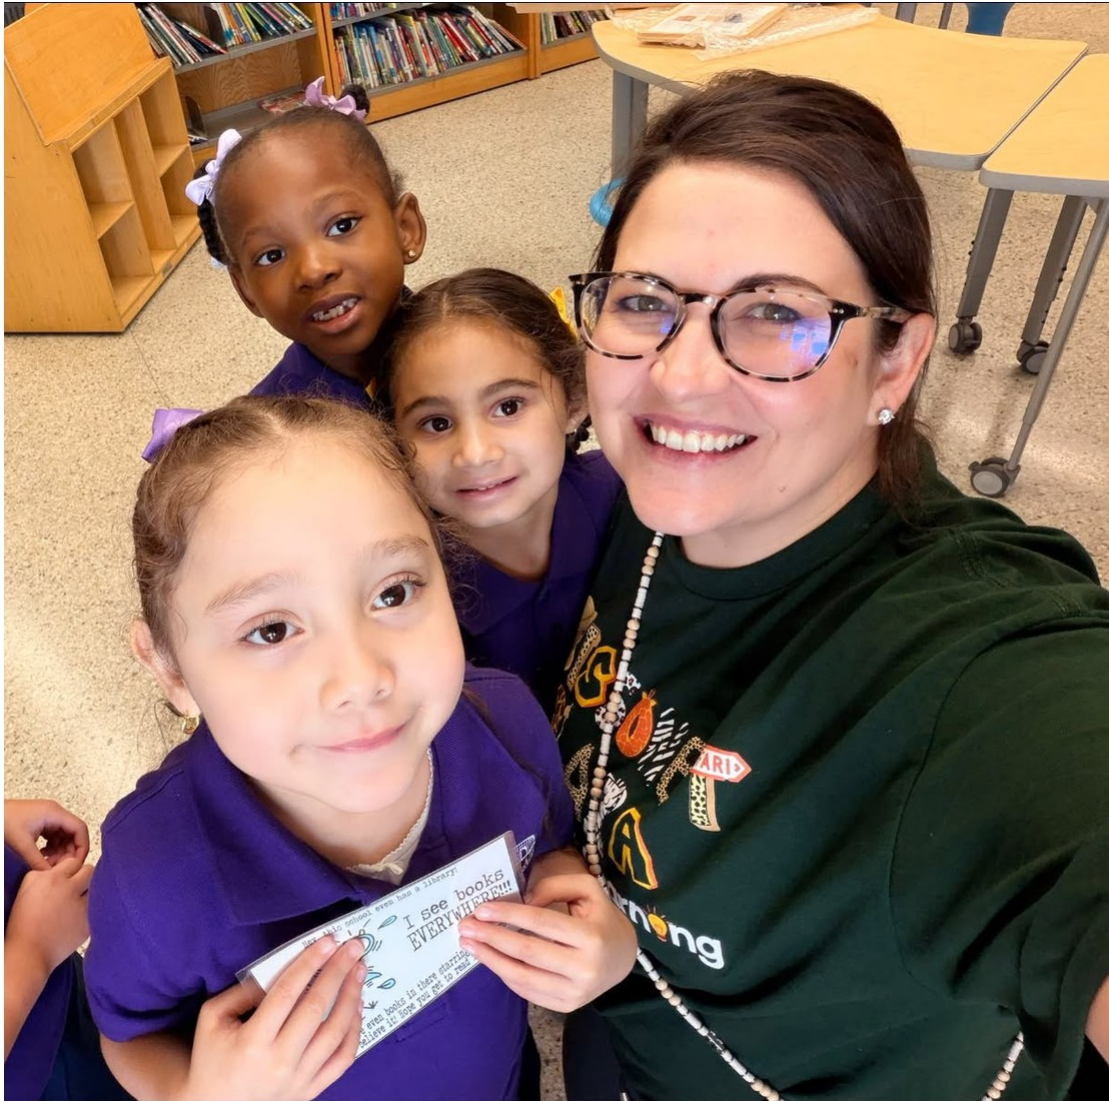

Please make sure your child’s **signed Technology Agreement** has been turned in. This agreement must be on file for your child to use instructional technology programs at school.

Please also make sure we have a **current Emergency Card** on file. Check that:

- Your contact information is up to date.
- Your current address is listed for mailings and report cards.
- Everyone who has permission to check your child out of school is listed on the form.

Keeping this information current is especially important in the event of an emergency.

We had several emails sent back to us. Please make sure our office has the most up to date email address on file for you. We send important information from the school via email.

Supply Fee

Please visit **SchoolCashOnline** to pay your child's supply fee. This fee helps cover the cost of items provided throughout the school year, including:

- Red communication folders
- Student agendas
- Colored paper for notices
- Other classroom and school materials

Event Information

Giving Market Fundraiser

Our 2nd Annual Giving Market is Coming!

Our Giving Market fundraiser kicks off **September 10** and runs through **September 24**! Last year, our school raised an incredible **\$3,000**, and this year, we want to **BEAT IT!**

Every dollar raised helps us **improve our campus and provide valuable instructional resources for our classrooms and students.**

The Giving Market is also a great way to get a head start on your holiday shopping! You'll find:

- Wrapping paper for the upcoming holidays
- Gifts for family and friends
- Great home goods

Great products + fun prizes + money for our school = a WIN!

September 10–24

Check your child's folder on **September 10** for information on how to get started.

Let's work together to **beat last year's \$3,000** and make an even **BIGGER** impact for our school!

When?

Thursday, Sep 10, 2026, 07:00 AM

Where?

Bissonet Plaza, Metairie, LA, USA

GIVING MARKET

WHAT IS GIVING MARKET?

A FUNDRAISER THAT'S BETTER FOR YOUR SCHOOL & YOUR FAMILIES!

Every purchase SUPPORTS OUR SCHOOL!

Giving Market helps schools raise more money while making fundraising easier, more exciting, and more rewarding for everyone.

AMAZING PRODUCTS FAMILIES LOVE! 100+ great gifts and treats!

- GOURMET POPCORN
- SNACK MIXES
- GIFT WRAP
- COFFEE
- CHOCOLATES
- CANDLES & MORE!

WHY FAMILIES LOVE GIVING MARKET

- EASY ONLINE SHOPPING
- SHARE BY TEXT, EMAIL & SOCIAL MEDIA
- PRODUCTS SHIP DIRECTLY TO HOMES OR YOUR SCHOOL
- SAFE & SECURE ONLINE ORDERING
- AWESOME PRIZES THAT KEEP STUDENTS MOTIVATED
- EVERY PURCHASE SUPPORTS YOUR SCHOOL!

AWESOME PRIZES FOR EVERY STUDENT!

- EVERY STUDENT GETS A LANYARD & BADGE!
- EARN YOUR FIRST SLAP STARZ BY SENDING 10 EMAILS!
- COLLECT SURPRISE VIP DUCKS AS YOU SELL!
- BE THE TOP SELLER OF THE DAY! WIN THE GOLD DUCK!

Every order helps provide resources, equipment, programs, and opportunities for our school. Thank you for supporting our students and community!

AMAZING PRIZES AT EVERY LEVEL!

- AIRPOD PROS
- APPLE WATCH

Information from the Counseling Office

See the Jefferson Parish Community Resource Guide:

<https://www.jeffparish.gov/DocumentCenter/View/4045/Community-Resource-Guide-2026>

Important Arrival & Dismissal Information

Morning Arrival

- Students must be **on campus and in their classrooms by 7:50 AM.**
- Students arriving in their classroom after 7:50 AM will be marked tardy.
- Please plan to have your child **out of the car and on campus by 7:45 AM.**
- Students entering campus after the bell must be walked into the school office by an adult.

Early Check-Out

- We do **not allow student check-outs after 2:05 PM.**
- Please schedule appointments accordingly. We understand that emergencies happen, but routine appointments should be planned around this cutoff time.

Dismissal Safety Reminders

We need everyone's help to keep dismissal safe and moving efficiently.

Walking Pick-Up

If you are **walking up to pick up your child**, you must:

- Wait **OUTSIDE** the main gate.

- Stand with your **shoulder next to the gate-** leaving plenty of room for students to pass on the sidewalk.
- Hold up your **red walker sign** so the staff member on the microphone can see it.
- Wait for your child to be called and sent out to you.

Please do NOT stand in front of the gate. This creates a safety issue for students who are walking home. Remember, there are cars moving through the car circle, and students should not have to walk around adults waiting in front of the gate.

Students are dismissed in this order:

1. Walkers without siblings
2. Walkers with siblings
3. Car riders at approximately **2:35 PM**

Car Riders

If your child is a car rider, parents should remain **in their vehicle and in the car line.**

Please remember:

- The car line begins at **Power Boulevard and travels down Kawanee Avenue.**
- **Absolutely no U-turns on Kawanee Avenue.**
- Do not park in front of the school.
- Do not park on the side of the school.
- Do not park in front of the fire station.
- Do not park in the St. Philip parking lot.
- Please have your **car rider sign clearly displayed.** This helps our staff identify students and keeps the line moving efficiently.

Please Follow the Dismissal Map

Please review the dismissal map included with this newsletter so everyone understands where to wait and how the car line should flow.

Thank you for following these procedures. They are in place to keep ALL of our students safe.

26-27 SCHOOL YEAR TIPS

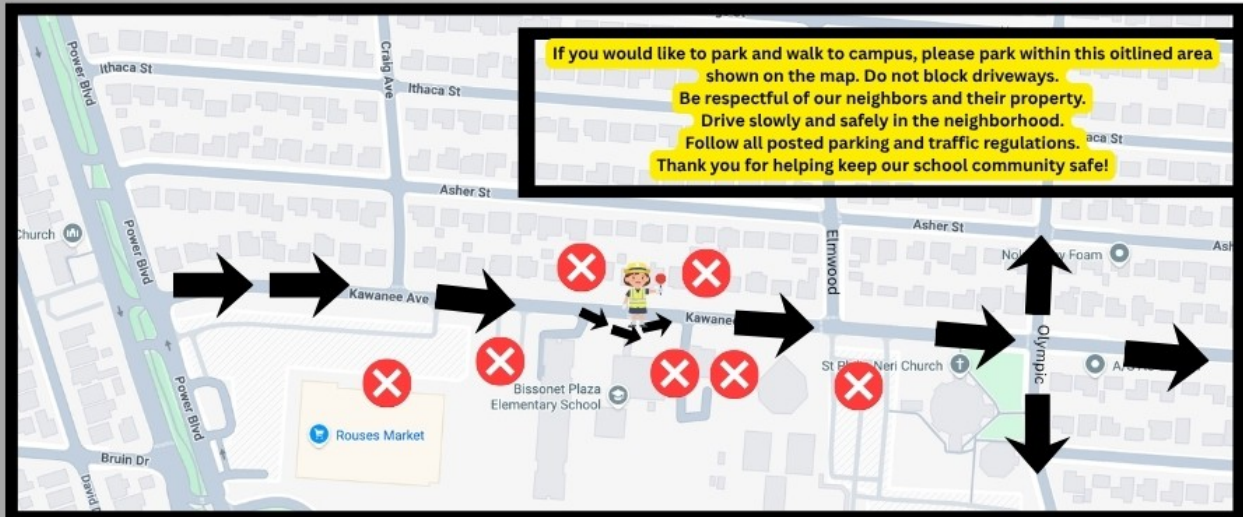

BISSONET PLAZA

Designates the ONLY school crossing zone allowed.

No Parking

Parking & Traffic Reminders during drop off and dismissal:

No Parking: In front of the school, on Kawanee Ave., in front of the fire station, at St. Philip School, or in any Bissonet side parking lots

Carpool Traffic:

Follow the black arrows when entering and exiting the carpool line, No U-turns on Kawanee Ave. This applies to leaving the carpool line as well.

Please help keep our students, families, and neighbors safe by following all traffic directions.

Pre-K News

We are looking forward to a fun-filled school year! We are learning letters, sounds, numbers, sorting and much more! Please remember to check folders everyday for important information. If you are turning in money, please label it with your child's name and what it is for. Also, please continue to send a snack and reusable water bottle every day. Don't forget to send a full change of clothes to school in case of accidents or spills. This doesn't have to be uniform.

Homework will start in September! Please have your child practice recognizing and writing his/her name each day. To practice, first parents can write their child's name with a yellow marker and the student can trace using a pencil or marker.

Encourage your child to practice cutting lines with scissors and opening snacks independently. The more confident they are, the better learners they will become!!

Thanks for your help and support! Pre-K!

Kindergarten News

Kindergarten Is Working Hard!

Our Kindergarten students have been working hard each day—and we can certainly tell they are tired out by the end! We are so proud of the tremendous progress they are making as they learn and practice as Bissonet Beavers.

Each day, we are seeing students get better and better at walking in straight lines, sitting in their seats, raising their hands, and following classroom routines. We have also had the best time getting active and having fun during PE!

In our classroom, students have been practicing drawing vertical, horizontal, and diagonal lines to help build the skills they need for strong handwriting. In Math, we have been exploring a variety of tools, including connecting cubes, geoblocks, pattern blocks, and picture books, as we create and tell our own Math stories.

During Knowledge, students have been listening to and learning about nursery rhymes, building their listening skills and expanding their knowledge along the way.

We are so proud of all the hard work our Kindergarteners are doing! Thank you for partnering with us as we help them learn, grow, and become more independent each day.

First Grade News

Dear Families,

We are excited for another wonderful week of learning in first grade! Please remember to check your child's red folder every day. It will contain handouts, important information, and notes home.

What We're Learning

- Math: We are working on addition and subtraction.
- Knowledge: We are reading and discussing stories.
- Skills: We are practicing blending and segmenting words.
-

As always, if you have any questions, please do not hesitate to reach out to your child's teacher. We are happy to partner with you!

Thank you for supporting your first grader! 💖

Second Grade News

Welcome to a new school year! We are having a wonderful start to our school year. Here are some things we are learning about:

ELA: We are reviewing sounds and spellings learned in first grade. We began reading our new reader **The Cat Bandit**. Students have enjoyed reading stories and answering questions about the story. We just completed our first domain **Fairy Tales and Tall Tales!** Students got to experience making their very own flapjack just like Paul Bunyan from the story! We will continue to read about **Early Asian Civilizations**. Be sure to ask your child about the stories we are reading in class!

Math: We began using data to make picture graphs and bar graphs. Students need to continue working on basic addition and subtraction facts nightly to gain math fact fluency!

Social Studies/Science: We are learning about our continent of North America. We have learned about how to read and use maps and the United States. We will begin our first Science unit in a few weeks!

Continue to check your child's red folder each night. Be sure to complete homework each night as your child practices **Dibels skills, reading fluency, math fact fluency and current math skills.**

Third Grade News

3rd Grade ELA: Cajun Folktales

We are excited to begin our **first ELA unit: Cajun Folktales!** By the end of this unit, students will have read both literary and informational texts to explore how storytelling can be entertaining and educational while developing an understanding of **Louisiana's history and culture.**

Our main text is *Lapin Plays Possum: Trickster Tales from the Louisiana Bayou* by Sharon Arms Doucet. This collection features **Lapin**, a quick-witted and conniving rabbit, and **Bouki**, his often-outwitted neighbor. Throughout the unit, students will explore Cajun culture and the elements of folktales.

To wrap up the unit, students will write an essay explaining **why a rabbit is a good animal to play the role of a trickster.**

Homework Support

Please continue to work with your child on homework each night. Homework will include a combination of **fluency practice, DIBELS skills, and skills we are currently working on in class.**

Thank you for your continued support at home! Your partnership makes a big difference in your child's learning and success.

3rd Grade Science Unit 1: Forces & Interactions

What Are We Learning?

Our third-grade scientists are beginning an exciting unit about **Forces & Interactions!**

Students will investigate the question:

"How can we design objects to balance and move in different ways?"

Throughout this unit, students will explore how **forces can make objects move, stop, speed up, slow down, or change direction.** Students will investigate real-world examples and use evidence from their investigations to explain what they observe.

What Will Students Be Doing?

Our classroom will be busy with hands-on science!

Students will:

- **Observe** interesting objects and phenomena.
- **Ask questions** and share their ideas.

- **Plan and conduct investigations.**
- **Collect and analyze evidence.**
- **Discuss their ideas with classmates.**
- **Build and test models.**
- **Revise their thinking** when they discover new evidence.
- **Design and build** solutions using what they have learned.

Science Vocabulary

Force • Push • Pull • Motion • Balanced Force • Unbalanced Force • Direction • Speed • Evidence • Investigation • Model

Our Goal

We are working toward becoming **scientists and engineers who ask questions, investigate, use evidence, collaborate, and never stop wondering how things work!**

Thank you for supporting your young scientist at home!

Keep asking questions. Keep investigating. Keep discovering!

3rd Grade Social Studies

Bayou Bridges • Unit 1: The Founding of the United States of America

What Are We Learning?

Our third-grade historians are beginning **Unit 1: The Founding of the United States of America!**

During this unit, students will travel back in time to learn how the United States became an independent nation. We will explore important people, events, documents, and ideas that helped shape our country's history.

Big Idea

Years of protest, sacrifice, and compromise resulted in a new nation with a government in which the people had a voice.

Topics We Will Explore

Students will learn about:

- The American colonies and their relationship with Great Britain
- The **Declaration of Independence**
- The **American Revolution**
- Important people who helped shape the new nation
- The creation of the United States
- The **Constitution**
- The importance of **compromise**
- How the new government gave people a voice
- The role of **George Washington** in the founding of the United States

What Will Students Be Doing?

Our students will become historians by:

- Examining historical sources and images
- Reading informational texts
- Discussing historical events and ideas
- Answering questions using evidence

- Putting important events in chronological order
- Learning about primary sources
- Comparing different perspectives
- Making claims and supporting them with evidence

Important Vocabulary

colony • independence • protest • revolution • patriot • loyalist • Declaration of Independence • Constitution • government • representative • compromise • freedom • liberty

Our Historian Goal

By the end of this unit, students will be able to explain important events in the founding of the United States and make a claim supported by evidence.

Our goal is not just to memorize dates and names. We want students to think like historians, ask questions, examine evidence, and explain their ideas!

Thank You for Supporting Learning at Home!

Please encourage your child to share what they are learning about American history. Asking questions and talking about history at home helps students build knowledge and confidence.

Keep asking questions.

Keep exploring the past.

Keep thinking like a historian!

Fourth Grade News

Fourth grade is off to a *WILD* start this school year! **In ELA**, our students are diving into our *Hurricanes* unit and learning how hurricanes can impact people and communities in both negative and positive ways. Students are reading informational texts, gathering evidence, building vocabulary, and strengthening their writing as they learn about powerful storms such as Hurricane Andrew and Hurricane Katrina.

In Social Studies, we have traveled way back in time! Our students began the year exploring early humans, migration, and life during the Paleolithic Period. Now, we are moving into the Agricultural Revolution, where students will discover how farming, the domestication of plants and animals, and the development of permanent settlements changed the way people lived.

We are excited about all the learning ahead as our fourth graders continue their wild adventure in learning!

News from Mrs. Thompson's 7th and 8th Grade Math Class

Mrs. Thompson's 7th grade Math classes have been busy creating and determining if images are scaled copies of polygons. We've been putting into play all the hard work we put into learning math

vocabulary.

In 8th grade Math, we have been flipping/reflecting, sliding/translating, turning/rotating figures on both coordinate and isometric grids. We have also begun using prime notation to indicate originals from an image of the figure after a transformation.

Uniforms - Bissonet Plaza Elementary School

bissonet.jpschools.org

WE OFFER AFTERCARE

Before and After School Care is available to provide students with a safe, supervised environment before and after the school day. **Before Care** begins at **6:45 a.m.**, and **After Care** is available until **6:00 p.m.**

To participate in the program, **students must be registered for childcare**. We strongly encourage families of **car riders** to register for After Care if there is any possibility they may be delayed at dismissal. **Carpool pickup ends promptly at 3:05 p.m.**, and all car riders must be picked up by that

time. Registering your child for After Care ensures they have a safe, supervised place to remain if an unexpected delay occurs.

OPEN THE AFTERCARE REGISTRATION

Keep Learning at Home with Clever

Did you know your child can access **Lexia and Zearn from home**?

Students can log in through the **Clever app** using their school account and continue working on these important instructional programs outside of school.

Encourage your child to spend a little time practicing on **Lexia and Zearn at home**. This is a great way to reinforce skills learned at school and keep learning going beyond the classroom!

Stay Connected

Please stay actively involved in your child's learning throughout the school year. Teachers can be contacted by email. Visit our school website at bissonet.jpschools.org to find teacher contact information and other important school resources.

If your child's afternoon transportation needs to change, please contact your child's teacher and/or the office **as early as possible**. Please do not wait until 1:00 PM to make a dismissal change.
