Hello students! Here is a plan for you to follow each day of our 5 days of e-learning. If e-learning is only for one day that is okay only do Day 1. You will have 1-3 days after we get back to school to make sure that you have your work turned in. Save all your work to make sure you can access it at a later day if we have to do more e-learning days.

Day 1

Pick one place (Asia, Africa, Europe Australia and Oceania, North America, or South America). Read the article about it and fill out the handout about that area.

Day 2

Pick a different place (Asia, Africa, Europe Australia and Oceania, North America, or South America) from yesterday. Read the article about it and fill out the handout about that area.

Day 3

Pick a different place (Asia, Africa, Europe Australia and Oceania, North America, or South America) from the past two days. Read the article about it and fill out the handout about that area.

Day 4

Pick a different place (Asia, Africa, Europe Australia and Oceania, North America, or South America) from the past three days. Read the article about it and fill out the handout about that area

Day 5

Pick a different place (Asia, Africa, Europe Australia and Oceania, North America, or South America) from the past four days. Read the article about it and fill out the handout about that area
