    iv. Any adjustment approved shall not exceed the total annual percentage increase/decrease for said item.
b. All original Proposal pricing will remain firm for the contract term and any renewals that a justifiable price change is not submitted and approved.
c. Price changes, and supporting documentation for each item, must be provided to Raymondville ISD for review a minimum of thirty (30) days before the requested implementation.
d. Raymondville ISD will accept or reject proposed price increases after receipt of a properly submitted request from the Vendor, which includes documentation as to the nature of the change substantiated by the CPI and PPI, but not limited to additional consideration of the following indexes: The Food Institute Report, Urner Barry Market Indexes, Federal Market Order (FMO), and any other relevant commodity price indexes.
e. A description of the measurement device (i.e.- index) and the -trigger‖ to cause the escalation must be submitted at time of price adjustments.

These entities must meet the same minimum standards and requirements as the prime contractor. Some cooperative members have specific goals for subcontracting requirements and will require that a plan be attached to meet their goals. Consistent and continued tie bidding could cause rejection of the bids by Raymondville ISD and/or investigation for antitrust violations.

84. **GEOGRAHIC PREFERENCE:** As a general rule, Raymondville ISD, may not apply a geographic preference for procurement involving Federal funds as per 2 CFR §200.319(c). Raymondville ISD may include the criteria for local preference, but it does not place a value in the determination of the weighted value in order to meet both State and Federal laws. However, Raymondville ISD may apply an optional geographic preference in the procurement of unprocessed locally grown or locally raised agricultural products for use in a Child Nutrition Program. See 7 CFR §210 (National School Lunch Program), 215 (Special Milk Program for Children), 220 (School Breakfast Program), 225 (Summer Food Service Program), and 226 (Child and Adult Care Food Program).

The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. -Produced in the United States‖ means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. -Manufactured products‖ means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber. See 2 CFR §200.322.

86. **EVALUATION OF PROPOSALS:** A committee of Raymondville ISD employees will review and evaluate proposals and make a recommendation to the Raymondville ISD School Board. Raymondville ISD, will base a recommendation for contract/agreement award on the published evaluation criteria. Award will be made to the best responsive, responsible offer, price and other factors considered. To be considered for an award, a Proposal Response must be considered -Acceptable‖. The considerations to award the contract are specified under Evaluation Criteria. Raymondville ISD, reserve the right to conduct any test, evaluation, or comparisons it deems necessary to complete the evaluation process.

87. **COMPETITIVE RANGE:** It may be necessary for Raymondville ISD to establish a competitive range of acceptable proposals as part of the evaluation process. Proposals not in the competitive range are unacceptable and will not receive further award consideration.

88. **SOLE SOURCE/NON-COMPETITIVE PROPOSALS:** In order to be qualified as a Sole Source Vendor, a proposer must meet the requirements of Texas Education Code §44.031(j) Sole Source, as described below. Selected purchases may be exempt from competitive procurement, if they meet the established criteria for a sole source purchase:

88.1 Identification and confirmation that competition in providing the item or product to be purchased is precluded by the existence of a patent, copyright, secret process, or monopoly;

88.2 Identification and confirmation that the product is a film, manuscript, book, utility service (including electricity, gas, or water), or captive replacement part or component for equipment

88.4 The item is available only from a single source;

88.5 The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
88.6 The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity; or
88.7 After solicitation of a number of sources, competition is determined inadequate.
It is incumbent upon the Raymondville ISD to obtain and retain documents from the proposer which clearly delineate the reasons that qualify the purchase to be made on a sole source basis. In order to do business with Raymondville ISD as a Sole Source Vendor, Raymondville ISD must receive a notarized Sole Source Affidavit along with proof of the company qualifying as a sole source. Please mail this information to: Raymondville ISD, Attn: Purchasing Department, 419 FM 3168, and Raymondville, Texas 78580. Raymondville ISD reserves the right to decide if your company is a qualified Sole Source Vendor.

To comply with 2 CFR § 200.318-327, Raymondville ISD will make an independent estimate of the value of goods or services in the current market before receiving bids or proposals. After Raymondville ISD receives bids and proposals, but before awarding a contract, Raymondville ISD will also conduct a price or cost analysis and document its findings.

However, the State and Federal awarding agency reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes when authorized to do so.
90.2 **Contracts more than $150,000**, the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
90.3 All contracts in excess of $10,000 must address **termination for cause and for convenience** by the non-Federal entity including the manner by which it will be affected and the basis for settlement.
90.4 **Equal Employment Opportunity**, except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of -Federally assisted construction contract‖ in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, -Equal Employment Opportunity‖ (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, -Amending Executive Order 11246 Relating to Equal Employment Opportunity,‖ and implementing regulations at 41 CFR part 60, -Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.‖

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland -Anti-Kickback‖ Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, -Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States‖). The Act provides that each contractor or sub recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The entity must report all suspected or reported violations to the Federal awarding agency.
90.6 **Contract Work Hours and Safety Standards Act** (40 U.S.C. 3701-3708). Where applicable, all contracts awarded in excess of $100,000 that involve the employment of mechanics or laborers must include a

provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

90.7 **Rights to Inventions** Made Under a Contract or Agreement. If the Federal award meets the definition of -funding agreement‖ under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that -funding agreement,‖ the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, -Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,‖ and any implementing regulations issued by the awarding agency. Requires all contractors to observe all applicable patent rights, copyright, and rights laws.

90.8 **Clean Air Act** (42 U.S.C. 7401-7671q.) and the **Federal Water Pollution Control Act** (33 U.S.C. 1251-1387), as amended—Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

90.9 **Compliance with Energy Policy and Conservation Act:** When Federal funds are expended by Raymondville ISD for any contract resulting from this procurement process, the vendor certifies that the vendor will be in compliance with mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

90.10 **Debarment and Suspension** (Executive Orders 12549 and 12689)—A contract award (see 2 CFR part 180) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR part 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), -Debarment and Suspension.‖ The Excluded Parties List in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Excluded Parties can be reviewed at https://www.sam.gov/SAM/.

90.11 **Byrd Anti-Lobbying Amendment** (31 U.S.C. 1352)) Lobbying Certification and Disclosure of Lobbying: contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not use Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

90.12 **Procurement of Recovered Materials** 2 CFR § 200.322: a non-Federal entity that is a State agency or agency of a political subdivision of a State and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines, requires contractors to maximize energy and resource recovery by using recycled materials and/or recycling wastes products when reasonable, cost appropriate, and available.

90.13 **Contract Cost and Price:** The non-Federal entity must perform a cost or price analysis in connection with every procurement action in excess of the Simplified Acquisition Threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the non-Federal entity must make independent estimates before receiving bids or proposals. The non-Federal entity must negotiate **profit as a separate element of the price** for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be

performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work. Costs or prices based on estimated costs for contracts under the Federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the non-Federal entity under subpart E of this part. The non-Federal entity may reference its own cost principles that comply with the Federal cost principles. The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used. See 2 CFR 200.324.

The Act details the obligation of contractors and subcontractors relative to the weekly submission of statements regarding the wages paid on work covered thereby; sets forth the circumstances and procedures governing the making of payroll deductions from the wages of those employed on such work; and delineates the methods of payment permissible on such work.

90.15 **Employment Verification:** U.S. law (FAR 22.18) requires, as applicable, a condition for the award of any Federal contract at $150,000 or greater, for Vendor to certify they are enrolled in, and is currently participating in, E-Verify or any other equivalent electronic verification of work authorization program operated by the U.S. Department of Homeland Security and does not knowingly employ any person who is an unauthorized alien in conjunction with the contracted services. A breach in compliance with immigration laws and regulations shall be deemed a material breach of the contract and may be subject to penalties up to and including termination of the contract.

90.16 **Access** by Raymondville ISD the grantee, the sub grantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

90.17 **Prohibition on certain telecommunications and video surveillance services or equipment:** recipients and sub recipients are prohibited from obligating or expending loan or grant funds to: (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities): (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); (ii) Telecommunications or video surveillance services provided by such entities or using such equipment; (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. Read Identifying Industry Codes for more information.

91.4 **Obtain Past Performance Evaluations:** Businesses interested in contracts should obtain an Open Ratings, Inc. Past Performance Evaluation. Open Ratings, a Dun & Bradstreet Company, conducts an independent audit of customer references and calculates a rating based upon a statistical analysis of various performance data and survey responses. General Merchandise, General Services & School Related Products

RFP # 25-007

SPECIFICATIONS

SCOPE AND INTENT

Scope: This package describes the item service needed. It includes the Scope and Intent, Applicable Documents, General Conditions of bid, requirements, Quality Assurance, Special Notes, Etc.

Intent: It is the intent of Raymondville ISD to request sealed bids from various general merchandise/service stores within or near Raymondville ISD for walk-in purchase of general supplies and service for the school year 2021-2022 thru the 2024-2025.

Term: This is term contract and will be in effect starting on **April 10th, 2025**.

Specifications:

A. Specifications are for unknown quantities of items to be purchased and services needed on an as needed basis. The primary purchases from this bid will be general supplies and school related items to include school related services.

B. Raymondville ISD designated personnel will visit the awarded stores, select and purchase the necessary items using district purchase orders.

C. Raymondville ISD does not guarantee any quantities or dollar amounts and actual purchases could be more or less.

D. This is a benchmark/catalog bid. A discount or mark-up from a verifiable benchmark is required. Bidders can us manufacturer's rice sheets, in-house custom pricing, dealer's cost, wholesale pricing, retail pricing, shelf pricing at time of purchase, etc., as benchmarks. The benchmark must be verifiable by Raymondville ISD.

E. Benchmark/catalog pricing is a pricing structure which uses verifiable prices as a starting point for establishing the final cost of a product. A benchmark/catalog price can be established in various ways.
Listed below are examples of benchmark/catalog pricing.

1. Manufacturer's catalog/price sheets.
2. Company catalog/price sheet
3. Store catalog/price sheet
4. Shelf pricing

Catalog and price sheets may be bid different ways. Listed below are two methods of bidding a catalog/price sheet.

Net Pricing:

In this method the prices include any vendor mark-ups or discount. The price quoted is the catalog/price sheet.

A. For vendor mark-up pricing the vendor takes his cost and adds a percentage mark-up to formulate customer pricing.

B. For vendor discount pricing the vendor takes his retail, wholesale, or contractor pricing and subtracts a percentage amount to formulate customer pricing. In either case, all mark-ups or discounts are already calculated into the catalog/price sheet, and the vendor should bid their catalog/price sheet using a net discount or 0% discount as the basis for the bid.

C. For full service description, the vendor will provide a full listing of services related to a school business environment. Any service not listed by the vendor will not be accepted by the Raymondville ISD.

Discount Pricing:

For discounts pricing the catalog/price sheet does not include any vendor mark-ups or discount. In this instance a percentage mark-up or discount from the catalog/price sheet is bid, and it is the customer's responsibility to calculate the price for each item purchased.

Shelf Pricing:

If a vendor does not offer, or have access to, a catalog or price sheet, a bid using Shelf Pricing is acceptable by Raymondville ISD. For shelf pricing a vendor can bid a discount from the shelf price or bid the shelf price.

METHOD OF AWARD

Raymondville ISD reserves the right to award to multiple vendors as might be required to better serve the interest of the Raymondville ISD. Raymondville ISD will purchase from this successful bidder from July 1, 2021 until June 30, 2025.

OTHER REQUIREMENTS

A. Bidders must have the experience, qualifications, stock and facilities to handle this kind of contract. Inventory must include a substantial stock of general merchandise likely to be purchased by Raymondville ISD.

B. Invoice each order and shipment separately. DO NOT mix purchase orders number on a single invoice.

C. Raymondville ISD reserves the right to make purchases from other vendors should it be on an emergency basis or should there be a substantial price difference favorable to Raymondville ISD.
