Guidelines for Safe School Athletic Events

Dear Smyrna/Clayton Community,

Our athletic events are an important part of our school community. They bring students, families, staff, and community members together to celebrate our student-athletes, school spirit, band performers, cheer teams, and the values of teamwork and sportsmanship.

To help ensure that all athletic events remain safe, enjoyable, and welcoming for everyone, we are asking for your support in following these guidelines:

- Children under the age of 14 must be accompanied and supervised by a parent or responsible guardian throughout the event. Children may not be dropped off and left unattended.
- Spectators are expected to always demonstrate appropriate behavior and good sportsmanship.
- Students and spectators should remain in designated spectator areas and follow directions from school staff and event personnel.
- Running, horseplay, fighting, and disruptive behavior will not be tolerated.
- Sports equipment outside the field of play is prohibited.
- Comply with bag restrictions. Please review the most up-to-date information on www.eagles-sports.com.
- Anyone who does not follow these expectations may be asked to leave the event and may be prohibited from attending future school-sponsored activities.

We want our students to have the opportunity to compete in an environment where they feel supported, safe, and proud to represent the Smyrna School District. Creating that environment is a shared responsibility, and we appreciate the partnership of our families and community.

If you are unable or choose to not attend in person Delaware Live 302 Sports will be streaming games around the state and home games are available to watch for a fee on the NFHS Network.

Individual event tickets are available at www.hometownticketing.com or via an all seasons passes available at the same site. Please visit www.eagles-sports.com for additional information, the latest athletics announcements, team schedules, and the bag procedure outlining what can and cannot be carried into the event.

Thank you for helping us ensure that our athletic events reflect the best of the Smyrna and Clayton communities.

Sincerely,

Superintendent
