ESTAR MEANS...

Estar means, “ to be” in a emotional, location, and a temporary state.

SER MEANS...

Ser means, “to be” in a core identity, origin, and permanent traits

SIMILARITIES

Both ser and estar translate to the English verb ”to be”. They both link a subject to a description, a state, or a position in sentences, and both are irregular verbs that change form often.

THE DIFFERENCE BETWEEN SER & ESTAR

HUNTER , JOSE ,WILLIE

DIFFERENCES

Both ser and estar mean ”to be” in English, but they are used for different things. Ser describes what something is (its core identity, origin, or permanent traits), while estar describes how or where something is (its temporary state, emotion, or location).

SER	ESTAR
Date	Position
Occupation	Location
Characteristic	Action
Time	Condition
Origin	Emotion
