

THE SCHOOL DISTRICT OF

**South Orange
& Maplewood**

Student Google Account Credentials

Access to and use of Google Workspace for Education and all related district resources are privileges provided at the discretion of the South Orange Maplewood School District (SOMSD). The district maintains the right to immediately withdraw access and use when there is reason to believe a student has engaged in any prohibited conduct or has otherwise violated local policies or the law, including the *Acceptable Use of Computer Network / Computers and Resources Policy*. In such cases, alleged violations will be referred to the building principal for investigation and adjudication.

By logging into and using a district-provided Google account, I acknowledge that the district utilizes **Google Workspace for Education** to facilitate collaboration and communication among students and staff when creating, sharing, and storing documents online. I understand that student information (first name, last name, grade level, and student ID number) will be collected and stored electronically by Google.

I further understand that stored work files, depending on the sharing permissions selected, may be accessible to others outside the district, including classmates or the general public. Additionally, this account may be used to authenticate access to approved third-party instructional resources (e.g., Canvas, MackinVIA).

SOMSD and Google Privacy Information can be found on the SOMSD Technology Webpage.

South Orange Maplewood School District Anti-Big Brother Act Compliance Notice

The Anti-Big Brother Act, New Jersey Statutes Annotated (N.J.S.A.) 18A:36-39 (P.L. 2013, c.44), requires that parents/guardians of students who have been assigned a district or school owned device for use outside of school in connection with the district's academic program, must be notified and informed of the following:

" If a school district furnishes a student with a laptop computer, cellular telephone, or other electronic device, the district shall provide the student with written or electronic notification that the electronic device may record or collect information on the student's activity or the student's use of the device if the electronic device is equipped with a camera, global positioning system, or other feature capable of recording or collecting information on the student's activity or use of the device."

This document serves as notice that South Orange Maplewood School District will not use any of the capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student while they are using the device outside of school.
