- 4th Semester (\$804.00)
 - AUT128 Auto/Diesel Heating & Air Conditioning (4 credits)
 - AUT225 Diesel Engine Performance (4 credits)
 - AUT230 Advanced Light/Medium Duty Diesel Diagnosis 1500-4500 Series (4 credits)

The Americans with Disabilities Act requires institutions of higher education to provide reasonable accommodations to those with documented disabilities, provided an undue hardship is not created. It is the student's responsibility to inform the Disability Resource Services (DRS) Office directly of his or her need for accommodation(s), each time he or she registers for a new course. All accommodations and academic adjustments are course and semester-specific and do not carry over from semester to semester or course to course.

Universal Technical Institute (UTI) opportunities

- Eligible West-MEC Diesel Technology Program completers qualify for the following opportunities through a partnership with Universal Technical Institute (UTI) when enrolling at UTI within one (1) year of West-MEC program completion:
- Advanced Placement and corresponding tuition credit for the following UTI courses:

Automotive Technologies I: Automotive Engines & Repair DADC101; Automotive Undercar DADC128; Braking Systems DADC107
OR (depending on UTI campus location)

Automotive Technologies II: Intro to Engines AD12 101; Intro Auto Science Undercar Systems AD12 103; Braking System AT12 152

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for the most current information. The program is taught by industry-certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of its operations.

Revised 8/28/2026

Post-Secondary Opportunities Information

- 10% tuition reduction for the full UTI program for which they enroll; tuition reduction may be combined with other UTI grants or scholarships for which a student is eligible.
- Student completers may challenge UTI core courses, and upon passing, the tuition will be reduced accordingly.

COLLEGE TUITION INFORMATION

Dual Enrollment

- \$67 per credit hour/\$268 per course due soon after the classes begin
 - Cost based upon meeting Arizona residency and U.S. citizen/legal residency criteria
- For dual enrollment grant availability, check with the campus counselor
- Courses taken under dual enrollment may impact federal financial aid eligibility. To obtain additional information, students are encouraged to inquire with the college or university where they intend to enroll

ENROLLMENT INFORMATION

Students who withdraw from the West-MEC program may receive college credit based on the number of completed courses.

- In a post-secondary setting, students are responsible for learning the policies of the institution to ensure that credits transfer to fulfill specific degree requirements. Visit www.aztransfer.com for Arizona colleges and universities
- Dual Enrollment credits on each campus may vary based on West-MEC faculty qualifications.
