

ELECTRONIC MUSIC+CLUB

AT ROCK CREEK ELEMENTARY

Unleash your student's musical potential with our after-school enrichment class! Designed to nurture creativity, critical thinking, and technical skills, our mission is simple: empower children through music. Using cutting-edge recording software and musical control surfaces, students blend music theory with audio recording arts to craft their own compositions. Led by experienced educators and music professionals, we provide a supportive environment tailored to teaching music through technology. Join us in shaping the next generation of musical innovators!

- *all equipment provided including computers, keyboards and headphones**
- *taught by local experienced musicians**
- *great for students of all musical abilities, from beginners to pros**
- *music and technology together make for the perfect steam class**
