August 2026

Dear Parents/Guardians:

Please be advised that our District Emergency Plan - which is designed to address various emergency scenarios that may occur - is developed annually in collaboration with the Tenaflly Police Department and reviewed at all our schools.

It should be noted that:

- Each School has an Emergency Team responsible for oversight should an emergency occur.
- All instructional rooms are equipped with an emergency kit.
- As required by law, school safety drills (in addition to fire drills) are conducted regularly at each school.

On the advice of first responders, as well as current security recommendations, the location(s) to which students may be evacuated are no longer posted in advance. As such, should an emergency arise requiring evacuation and relocation of our students, parents/guardians will be advised about any pick-up procedures including specific location(s) at that time. Please be sure that your school has current contact information to reach you in case of an emergency.

The safety of our students and staff is our top priority, and we appreciate your ongoing cooperation. Please contact your school principal if you have any further questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Ben-David', with a stylized flourish at the end.

Michael Ben-David J.D./M.Ed.

Superintendent of Schools
