

Aug 28, 2026

Dear Trailside Community,

We are so excited to welcome you back to school! Please keep this email handy for future reference as it contains many helpful links.

Back to School Videos

The teachers are very excited for this school year. Each grade level has created a Back to School video which includes information about what to expect in class this year! Links to each video can be found [here](#).

Trailside Handbook

Please take a moment to familiarize yourself with our school [handbook](#). You'll find information regarding absences, dress code, and other policies and procedures to help you throughout the year. Our district [calendar](#) is a helpful resource to find information on days off and breaks.

Attendance

Being present at school is a critical component to student success. We want all students to feel successful and consistent attendance, including being on time for school, helps start their day calm and ready to learn. For more information on attendance and how you can support your student please read the [linked article](#).

Volunteer Information

For any adult wanting to volunteer in the school (field trips, in the classroom, class parties, etc.), you must fill out the [volunteer application](#) and complete the fingerprinting process. For adults who completed the fingerprint process during the 25/26 school year, you will need to complete the application for this year, **but do not need to be re-fingerprinted**. However, the 26/27 form must be turned in to the Trailside front office by September 25, 2026 to keep your fingerprints on file for the year. Copies are also available in the main office.

Trailside PTO

The Trailside Parent Teacher Organization (PTO) is looking forward to an exciting year, sponsoring teacher grants, after school family dances, and other extracurricular activities. If you'd like to donate/volunteer, fill out this [form](#).

Park City Education Foundation

Park City Education Foundation (PCEF) is a not for profit organization whose mission is to fund and support educator-powered initiatives that inspire all Park City students to reach their academic and lifelong potential. Learn more about Why Teachers Love PCEF [here](#). You can also see all of the programs that PCEF supports at Trailside on their [website](#).
