PARENTS' RIGHT TO KNOW INFORMATION

LUCILLE NESOM MEMORIAL SCHOOL

Dear Parent/ Guardian:

Your child's school receives Federal Title I funds to assist students in meeting state achievement standards. This letter lets you know about your right to request information about the qualifications of classroom staff working with your child and information about students' assessments given during the school year.

Title I schools must meet federal regulations related to teacher qualifications as defined I ESEA (Elementary and Secondary Education Act). These regulations allow you to learn and inquire about teachers' training and credentials. At any time, you may ask:

- If the teacher meets state qualifications and certification requirements for the grade level and subject he/she is teaching,
- If the teacher has received an emergency or conditional certificate through which state qualifications are waived,
- What undergraduate or graduate degrees the teacher holds, and major(s) or area(s) of concentration,
- Whether your child receives help from a paraprofessional, and if so, his/her qualifications.

The "Every Students Succeeds Act" (ESSA), which was signed into law in December 2015 and reauthorizes the ESEA, contains additional parent right to know requests, including:

- Information on policies regarding student participation in assessments and procedures for opting out,
- Information on required assessments including:
    1. Subject matter tested
    2. Purpose of the test
    3. Source of the requirement (if applicable)
    4. Amount of time it takes students to complete the test
    5. Time and format of disseminating results

  All the above information can be requested through your school principal.

Lucille Nesom Memorial School staff is fully committed to helping your child develop the knowledge and skills needed to succeed in school and beyond. We appreciate your support and partnership as we work to provide the best education for your child.

Sincerely,

Dr. Samantha Austin, Principal
Lucille Nesom Memorial School
