

A Special Showing for Families with Special Needs

Cinemark 22
2600 W. Ave I,
Lancaster, CA 93536

SERVING A REAL NEED WITH A REEL EXPERIENCE

We understand that sometimes it may be difficult or uncomfortable for families with special needs to attend movies together. The families who attend these showings do not typically have a chance to experience movies in a theater because some have trouble sitting still and others experience sensory overload.

A COMFORTABLE ENVIRONMENT

Families who attend these special screenings enjoy discounted ticket prices, family-friendly films shown without previews, lowered sound and dimmed lights. The concession stand will be open and offer a variety of snacks. And we offer plenty of wheelchair accessibility.

Additionally, audience members are welcome to get up and dance, walk, shout or sing - in other words, Cinemark's "Silence is Golden" policy will not be enforced unless the safety of the audience is questioned.
