TAX INFORMATION

The maintenance and operations tax rate can increase to keep up with inflation and day-to-day operational costs. For ECISD, this means **restoring 6 cents while keeping the total rate lower than all other Bexar County ISDs.**

Because the debt tax rate has dropped, the total tax rate would change by 1/100 of a penny.

WHAT WOULD IT COST HOMEOWNERS?

The Prop A increase equates to **1 cent a month** on a $270k home.

Prop A asks voters to consider changing (ratifying) the tax rate to access additional funding for students.
