🎓 Academics

Five weeks down, and we are gaining momentum! As we move further into the school year, our focus remains on high expectations, strong instruction, and continuous student growth.

This week, we will continue to:

- 📚 Strengthen reading, writing, and vocabulary across all content areas
- ➡️ Build essential math skills and address individual student needs
- 📊 Use i-Ready data to identify areas for targeted instruction and intervention
- 🎯 Monitor student progress and set meaningful academic goals
- 🧠 Encourage students to actively participate, ask questions, and take ownership of their learning

Our goal: Growth for every student, in every classroom, every day!

Week 5 Highlights

- 🏫 Regular instructional schedule
- 📊 Continued use of i-Ready data to guide instruction
- 👤 PLC collaboration and data discussions
- 🎯 Continued academic interventions and student support
- 🦊 Schoolwide activities and student engagement opportunities

Please continue to monitor school communications for specific dates, times, and upcoming events.

★ Celebrations

There is so much to celebrate at Johnakin Middle School!

This week, we are celebrating:

- Students demonstrating our schoolwide expectations
- Academic growth and student effort
- Teachers creating engaging learning experiences
- Staff members going above and beyond for students
- Our families who continue to partner with us

JMS Family, let's keep the positive momentum going!

Attendance Matters

Be Present. Be Prepared. Be Successful!

Five weeks into the school year is the perfect time to check your child's attendance and make sure we are establishing strong habits for the entire year.

Missing school means missing instruction, practice, collaboration, and opportunities to learn. Every day truly counts!

Parents, please help us by ensuring your child:

- Arrives at school on time
- Attends school consistently
- Is ready to learn each day
- Makes up missed work when an absence occurs

Parent Reminders

- ✓ Check your child's grades regularly.
- ✓ Review assignments and upcoming assessments.
- ✓ Encourage daily reading at home.
- ✓ Ask your child about their learning each day.
- ✓ Make sure your child's school supplies and materials are ready.
- ✓ Stay connected through school communications and social media.
- ✓ Reach out to teachers when you have questions or concerns.
