Classwork

Reading/Language Arts

- Begin unit learning about nursery rhymes
- Learn how to have a correct pencil grip
- Hear sounds, called phonemes, in words

Math - learning...

- math routines
- the difference between a small voice and big voice when working with others
- how to understand their own thought processes when doing math

Notes from the Teacher

- The students are amazing and I'm really glad to have them in class. We are working on procedures, teamwork as well as academics. Teamwork makes dream work.
- Red Communication folders go to and from school daily.
- Tags were placed on backpacks to indicate how children are getting home from school. Let me know if your child's tag needs to be changed or there is a change in plans.
- RAIN GEAR – students go outside for recess even when it's sprinkling. Please send coats even if it doesn't look like rain.
- Please join Class DOJO if you haven't done so already. I've texted parents and will send home paper flier incase you didn't get the test.
