

THE BRAXTON BROADCAST

THIS MONTH TALK TO YOUR CHARGER ABOUT

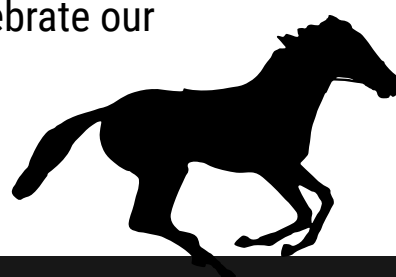

A WORD FROM THE PRINCIPAL

Hello Charger Community,

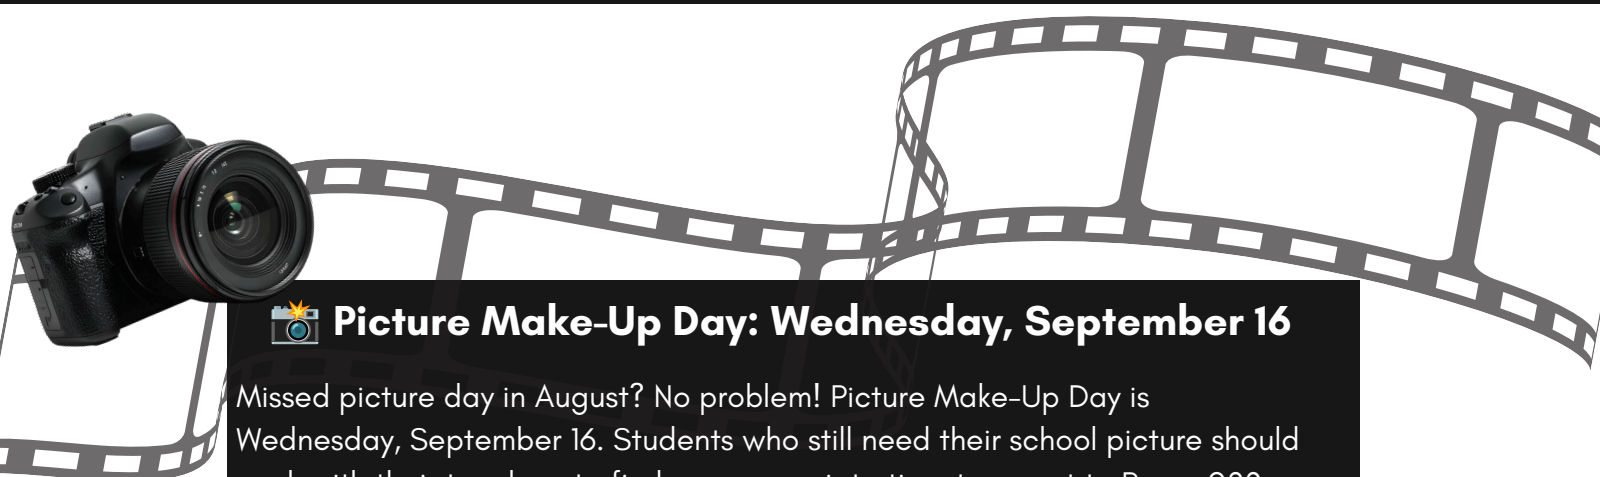

As we settle into the new school year, our Chargers are building connections and embracing new opportunities. Across our campus, I am seeing the energy, curiosity, and pride that make the **Uncommon Experience**.

Thank you to our **students, staff, families, and community** for the important role you play in making Clark a place where every student can **learn, grow, and succeed**. As we move forward together, let's continue to support one another, celebrate our successes, and make this a year to remember!

Ms. Braxton

Upcoming Events

Picture Make-Up Day: Wednesday, September 16

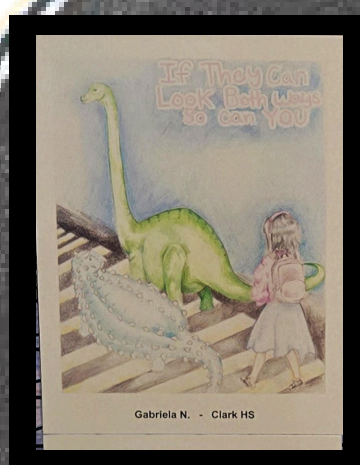

Missed picture day in August? No problem! Picture Make-Up Day is Wednesday, September 16. Students who still need their school picture should work with their teachers to find an appropriate time to report to Room 200. Students will have their picture taken and receive their school ID card. Don't miss your chance to get your Charger ID!

Students Make an Impact on Street Safety

Ed W. Clark High School students are using their creativity to raise awareness about pedestrian safety in Las Vegas. Their artwork, designed to help make crossing the street safer, was recognized by Commissioner Michael Naft, who presented the students with a special proclamation.

Commissioner Naft shared statistics about students and pedestrians being struck by vehicles and emphasized the importance of bringing greater awareness to this serious issue in our community. He praised the students for using their art to promote safety and make a difference. One of our own Chargers, Gabriella Nieto, created a colorful colored-pencil drawing featuring dinosaurs safely crossing the street. Her creative work, along with the artwork of her fellow students, is helping remind our community that safe streets start with awareness.
