Modesty, Tastefulness, and Appropriateness are the required foundation for all dance apparel.

Students and guests will be required to pass a breathalyzer test at any of these times:

- 1) in order to be admitted to the dance.

- 3) upon exiting the dance.

Approved personnel administering the breathalyzer test, will be required to report to the school administration the names of any students or guests who fail the breathalyzer test or who commit any other major infraction of ECS.

Students and guests may not leave the dance and return later. This includes going to their car *unescorted* by a chaperone. Students must arrive within thirty minutes of the start of the dance, and students may not leave earlier than thirty minutes before the end of the dance.

Dancing will be supervised by ECS faculty chaperones. Inappropriate dancing is not allowed at ECS dances. Students and guests who violate this policy may be suspended from the dance floor and ineligible to attend future ECS dances.
