Grading & Class Ranking:

Grading periods at Los Alamitos High School follow a semester system, and the cumulative GPA is calculated on a 4.0 grade point scale. AP and select honors classes recognized by the University of California are weighted on a 5.0 grade point scale. Although we do not provide a precise rank for a student, a decile or percentile rank from the top is calculated based on an overall weighted grade point average.

For the Class of 2026, there were 707 graduates, of whom 229 earned an Academic Weighted GPA of 3.85 or higher, 4 students received a Certificate of Completion, and 1 student received an Alternate Diploma.
