

How to use your menu.

Your new one-page interactive menus have all the information you need and more.

<https://www.schoolnutritionandfitness.com/index.php?sid=1786553637759>

1. Switch between menus
2. Click to view all items with nutrition
3. Hover over item names to see nutrition details
4. View nutrition details, including Carb Counts
5. Filter your menu by allergens
6. Print your menu
7. Translate your menu

The screenshot shows the school nutrition website interface for July 2026. The top navigation bar includes a site selector (Middle Schools, Elementary Schools, High Schools), a menu selector, and utility links for Nutrients, Special Meal Accommodations, PDF/Print, Accessible View, and Translate. A calendar view shows the month of July 2026. A grid of menu items is displayed, with a detailed view for 'Grande Cheesy Nachos' open. This view includes a list of nutrients (Serving Size, Calories, Total Fat, Saturated Fat, Trans Fat, Cholesterol, Sodium, Potassium, Carbohydrates, Dietary Fiber, Total Sugars, Includes Added Sugar, Protein, Iron, Calcium) and a section for Special Meal Accommodations. A 'Select Language' dropdown is visible in the top right, and a 'Select to Identify' dropdown for allergens is shown in the bottom right. Numbered callouts 1-7 point to various features: 1. Site selector, 2. Item search icon, 3. Item name, 4. Item name, 5. Nutrients link, 6. Print icon, 7. Translate icon.
