AMIRA LEARNING

Colorado Interim Assessment Cut Scores

Beginning-of-Year Kindergarten | School Year 2026–27

Prepared for the Colorado Department of Education in response to the request for cut scores supporting individual learning plan determinations under HB26-1050. The table reports the beginning-of-year (BOY) kindergarten composite score at the Tier 1 threshold (41st percentile) — the score at or above which a student is considered to be meeting beginning-of-year expectations and ready for core instruction.

Assessment Tool	Language / Content Area	Score Reported	Tier 1 Cut Score(41st Percentile)
Istation ISIP	English — Reading	Overall composite score	**254**
Lectura	Spanish — Reading	Overall composite score	**662**
ISIP Math	English — Mathematics	Overall composite score	**290**

Applying the Cut Score

- A student scoring **at or above** the value shown is classified Tier 1 — on track for core instruction without supplemental intervention.
- A student scoring **below** the value shown falls into Tier 2 or Tier 3, indicating a need for support beyond core instruction.
- These thresholds apply to the **beginning-of-year administration window only**. Middle- and end-of-year windows use different cut scores.
