Dear Legacy Jr. Parents/Guardians,

Welcome to the 2026–2027 School Year!

We are excited to welcome your student to **Legacy** and **Legacy Jr.**, a middle school and high school college-readiness program designed to help students begin preparing early for success in high school, college, career, and beyond.

Legacy and Legacy Jr. was developed to support students as they build the academic habits, confidence, and knowledge needed to successfully transition to high school and eventually complete the **A-G college admission requirements**. By starting this work in middle school, students will have a stronger foundation and a clearer understanding of the steps needed to reach their post-secondary goals.

The Mission of Legacy and Legacy Jr.

The mission of Legacy and Legacy Jr. is to provide middle school and high school students and families with purposeful **academic guidance, motivation, support, and enrichment opportunities** that prepare students for a successful transition to high school and create a pathway toward college, career, and real-world readiness.

Throughout the program, students will participate in activities designed to help them understand the importance of academic success, attendance, positive behavior, goal setting, and making informed choices about their future.

Legacy and Legacy Jr. Support Services

Students participating in Legacy and Legacy Jr. may receive support through:

- Academic, career, and personal guidance
- Academic support, tutoring, and study-skills development
- High school and college preparation activities
- Goal setting and academic progress monitoring
- Introduction to A-G college admission requirements
- College and university awareness activities and campus visits
- Guest speakers and career exploration
- Family engagement opportunities

Building a Legacy Early

Legacy and Legacy Jr. is about helping students understand that **their future begins now**. Students will be encouraged to set high expectations for themselves, develop strong academic habits, and take ownership of their education.

As students progress through Legacy Jr. and eventually enter the high school Legacy Program, they will have a better understanding of the courses, grades, attendance, behavior, and choices that can help them remain on track for college and career opportunities.

We believe that **parents and families are an important part of student success**. We look forward to partnering with you to support your student throughout this journey.

We are excited to have your student as part of **Legacy Jr.** and look forward to helping them build a strong foundation for their future!

Stay Connected with Legacy and Legacy Jr.

Please join our **Legacy and Legacy Jr. Parent Square group** to receive important program updates, announcements, events, and opportunities.

Parents: Download the Parent Square app

We will have our first parent legacy and Legacy Jr. forum on Wednesday, September 2, 2026 at 9:45am.

If you have any questions regarding the Legacy and Legacy Jr. Program, please contact:
