Welcome Message

**Rayshawn Hightower, Director of Athletics
Central Unified School District**

Welcome to another exciting year of CUSD Athletics! As the Athletic Director, I am thrilled to extend a warm greeting to everyone involved in our vibrant sports community. Our Athletics Department is dedicated to providing diverse sports opportunities that not only develop athletic skills but also foster character and community spirit.

At Central Unified, we recognize that sports may not be the most important thing we do, but for many students, they are a source of motivation and a key influence on school culture. Our goal is to win every day by preparing, planning, and playing with excellence. Winning, to us, means aligning our character and actions with our purpose. It's about who we become internally, not just what we achieve externally.

Our core values of communication, achievement, resilience, empathy, and service guide everything we do. These values help us plan, prepare, and play to win, not just in sports, but in life. We exist to develop character skills, create a sense of belonging, and forge memories and relationships that last a lifetime. Winning begins on the inside, and true success is measured by the positive impact we have on our students' lives.

We are committed to transforming from transactional coaching to transformational coaching. A transactional coach focuses on using student-athletes and high school sports to achieve personal milestones or win championships. In contrast, a transformational coach is motivated by the potential to positively impact student-athletes and change lives. In our athletics department, we define the success of our coaches and programs by asking: Did the student-athlete create lifelong friendships? Do they feel they belong here? Did they create meaningful memories? Did they learn valuable life lessons? Can they achieve their goals?

Winning requires vision, focus, a supportive community, and alignment. We believe that building and maintaining healthy relationships, fostering a positive culture, effective communication, and robust systems are the keys to success.

Our goals for this year are ambitious and vital to our continued growth:

- Increase the number of coaches, especially at the elementary and middle school levels.
- Identify and address the drop in sports participation from elementary to middle school.
- Continue fundraising efforts to support our programs.
- Reignite relationships with feeder programs and establish healthy connections.

Together, we can achieve great things. Thank you for your support and dedication to Central Unified School District Athletics.

Let's make this year our best yet, on and off the field.

Shift from Transactional to Transformation

A transactional coach is mostly concerned with using students and high school sports to improve their situation. This could be as simple as trying to reach a coaching milestone or winning a championship.

A transformational coach is more motivated by what they can do for students and change lives in the process.

WHAT IS A CENTRAL UNIFIED ATHLETE?

A CENTRAL UNIFIED ATHLETE

A Central Unified athlete can come in any size, shape or color. There is no common denominator except for the love of academics, athletics and the desire to get the most out of their abilities. They are proud of their strengths, but understand their weaknesses. They are first of all concerned with being a great student and always carry a positive attitude. They are never selfish, and know that individual recognition will come through team excellence.

A Central Unified athlete understands that leadership is about taking responsibility, not making excuses. They understand that true leadership lies not in words but in our actions and attitudes at school, in the community and on the playing field. They know that leaders must create vision and be strong enough to translate that vision into reality. A Central Unified Athlete has the heart of a warrior and never loses the honesty and character of a small child. They understand if they don't work hard they can never be successful.

A Central Unified Athlete is willing to always help those in need, and is much more aware of the example they are setting for everyone watching from the sideline and hallways. A Central Unified athlete is happy when they make a play but never forgets that their teammates, teachers and coaches put them in a position to do so. While they never let up on the field, the other team is not the real opponent; it is the full extent of their own potential that they are always playing against.

A true athlete is made and not born. They are constantly striving to reach their academic and athletic potential knowing that they will bypass other players who cannot withstand the strain of this quest for excellence. They realize the challenges and competition of today's game will better prepare them for tomorrow's world. They know that the true measure of a performance is not measured in wins and losses, but how much of themselves they have given to their school and the game.

A Central Unified Athlete never realizes when the odds are stacked against them. They can only be defeated by a clock that happens to run out of time or innings that no longer exist. They are what small children dream of becoming and what old men and women can remember with great pride that they once were.

2026-27

CENTRAL ELEMENTARY ATHLETIC LEAGUE

Approved
5-2024

The Elementary Athletics Directors and Principals shall have the responsibility for the operation and maintenance of policies and procedures of all elementary athletic programs. The district has taken a firm position that academics must be the first priority for all students and that coaches should adjust accordingly to allow students to participate in both academics and athletics. Central Unified strongly views athletics as a support to the overall educational program that provides critical “connectedness” for many of our students. CUSD athletics provides an opportunity for students to be involved and continue in developing a culture of excellence through athletics.

COMMISSIONERS

The K-6 Athletic Director and Director of Athletics will function as the Commissioners and work in conjunction with school sites and district administration to address elementary athletic issues and concerns.

MEETINGS

Meetings will be approximately two weeks prior to the beginning of each athletic season and as deemed necessary by the Commissioner by Zoom. The last meeting will be two weeks before the last Championship game and will be to review bylaws in person.

RULE AND POLICY CHANGE PROCEDURES

All recommended rule and policy changes must be processed through and approved by the Director of Athletics.

A simple majority from a quorum of the Athletic Directors/Principals will constitute action as approved by the Commissioner. All rule and policy changes will be by vote at AD meeting or by e-mail the Wednesday following the AD meeting. Athletic events may be added to existing schedules by both Commissioners if approved.

PROTEST COMMITTEE COMPOSITION AND GUIDELINES

The Protest Committee will be composed of one Administrator and both Commissioners and will follow the CIF appeals guidelines. The role of the Protest Committee will be to review concerns and protests and make appropriate recommendations for disciplinary action to the Commissioners. The Commissioners will ensure consistency in enforcement of disciplinary recommendations. The Commissioner must be notified verbally within 24 hours and a written protest turned in within 48 hours.

Games being protested will be completed but played under protest. Official to verify that in the official score book.

GENERAL POLICIES

PRACTICE SESSIONS

A practice session is defined as having a coach or any other individual supervising or organizing practice activities under game conditions. Try-outs are considered practice. All practices will be conducted after the conclusion of the normal school day. Practices may NOT be held during staff development, minimum days Wednesday Prep Time, Saturday or over Summer break.

Practice for any sport shall begin no sooner than the date posted on the schedule as the "Practice starts" date. No practice session shall begin before the official opening of school in August. Cheer try-outs are an exception to this rule since try-outs can be done at the end of the prior school year. Practices shall be conducted only on days school is in session (no Saturday practice). Other exceptions are during the Thanksgiving, Winter and Spring vacation. Sports teams are allowed a maximum of five (5) hours of practice per week during these vacations. Camps/clinics are allowed as long as they are open to everyone and notification to the K-8 Athletic Director is made two weeks prior. Camps held during another sports season must be held after in season sports practice or on Saturday. Twenty hours maximum for camps. Camps are allowed in the Summer. During camps/vacation practices coaches make sure they are staying until kids are picked up. No canceling practice due to lack of kids. Once they commit to a time they follow through. Parents are dropping kids off and expecting to have them picked up at an agreed time. Don't let them leave for home on their own. Parents must pick them up. Summer school sports should not be construed as appropriate for practice.

No practice will be conducted during the time classes are normally in session. All sports may conduct meetings and issue uniforms during recess periods only. Coaches may not engage in organized recess or other informal practice play with team members at any time, during the season or in the off-season.

The maximum number of hours of practice per week for all sports **during the season** shall not exceed four and a half hours per week. The minimum hours of practice will be three hours. Fall, Winter, and Spring athletics may practice six (6) hours per week from the **opening date of the season to the first regular season competition.**

All students must practice three (3) hours prior to league competition. Students new to wrestling must condition and practice at least six (6) hours prior to league competition. Students playing football must participate in conditioning /practice/acclimation for days 1-5 of practice. This may include calisthenics, rule sessions, chalk talks, and game films. During days 1 & 2 of the acclimatization period footballs, football shoes, helmets will be the only equipment permitted. During days 3-5 only helmets and shoulder pads may be worn. Beginning on the sixth (6th) day, all protective equipment may be worn and full contact may begin.

Athletes may participate in two sports in the same season as long as it is approved by both coaches and the Principal, including cheer. Athletes must have participated in two games, matches or meets to qualify for championships.

If the schedule includes a bye or a postponement, teams may practice on those days. ONE scrimmage game per sport will be allowed. Scrimmages are not considered a practice.

Athletic events may be added to existing schedules by the site Athletic Director, Principal, and final approval from the K-6 Athletic Director. The athletic event will be separate from the practice regulations as written.

VIOLATIONS

Violation of rules could result in the head coach being suspended for one league game; the team forfeiting one league/championship game; or the loss of points for that sport.

Athletic Excellence Award

Athletic Excellence points are based on league play. Points are accumulated according to how a school team finishes in a league. Points for track are based on the District meets. Two points are awarded for each place a team finishes above the others in their league. In track and cross country there will be one Championship for Girls and one for Boys by combining Midget and Bantam points. Two points are awarded for the District Champion.

Example of a six-team league finish in volleyball, football, basketball, wrestling, baseball, and softball:

<u>Team</u>	<u>W</u>	<u>L</u>	<u>Central Points</u>
Team A	6	0	12
Team B	5	1	10
Team C	4	2	7
Team D	4	2	7
Team E	3	3	4
Team F	2	4	2

Tied teams combine points and divide by the number of tied teams.

Victory Medals-Sportsmanship Award

Given at EVERY competition our teams play (scrimmage, regular season game, Championship game.) Awarded to an athlete who shows good sportsmanship and character during play. Not an MVP award! Teams meet after shaking hands and award an athlete to the opposing team. Both teams then give a "Central" break as a show of sportsmanship and unity.

TEAM CONTACTS

"Informal" contacts with team members – Coaches may not engage in any type of informal play, drills, walk-throughs or other forms of practice with team members, including during recess breaks, lunch-time recess periods and intramural activities. Coaches are allowed to hold weigh-ins and chalk talks during such time periods.

TEAM MANAGERS

Selection and utilization of team managers – Students are not required to be eligible for a given sport in order to serve as manager (e.g. fourth graders may serve as managers for a fifth/sixth grade sport such as football). Gender may not be used as part of the criteria for selection of team managers (e.g., girls may serve as managers for boys' teams, and vice-versa). Managers who are not eligible for a sport may not participate in drills, game situations, or practice of any kind. Managers must still fill out all paperwork and follow the same gpa requirements as the players.

RULES FOR STUDENT PARTICIPATION IN TRAVEL CLUBS AND CAMPS

Whether run by CUSD coaches or outside agencies, students cannot be required to take part in travel clubs and camps as part of the criteria for participation in elementary athletic teams. Off-season participation in such clubs is acceptable if it does not interfere with district sports and events.

MONITORING OF PRACTICE SCHEDULES

Principals or their designees are expected to monitor practice schedules as well as appropriately enforce all rules and policies pertaining to athletics. Violations of policy and/or rule infractions will be reported to members of the Protest Committee. The role of the Protest Committee will be to review protests and make appropriate recommendations for disciplinary action. No further appeals will be accepted.

PARTICIPATION

Participation in elementary athletics is generally open to 4th, 5th, and 6th grade students that have not reached *their 13th birthday prior to September 1st*. The Junior Fresno Relays and Junior Olympic qualifying are governed by the Fresno County Track and Field Committee. Cross Country is open to 3rd-6th grade. Tackle football is open to 5th and 6th grade only.

Grade Point Average: Students are expected to maintain a 2.0 grade point average and adhere to district and site policies. Grade Point Average will follow CIF guidelines with some changes. If a student's GPA drops below a 2.0 at any grading period, they will be placed on probation. While on probation an athlete may practice and play in games. Two consecutive grading periods below 2.0 they will be deemed ineligible. Number of "F's" does not deem them ineligible. If deemed ineligible they may practice but can not play in a game or travel with the team. While ineligible it is the school site's discretion as to whether the athlete practices or not. Grading Period will be from Monday to Friday each week during the season. Grades are cumulative, not just work that week.

The Eligibility Semester Rule: The rule comes into effect when a student enters the fifth grade. Students in fifth grade have four (4) consecutive semesters in which to compete in elementary athletics. If a student is retained for any reason, his/her eligibility runs out at the end of the fourth consecutive semester.

Discipline issues: School administration, parent and coach are the only people allowed to keep a player from participating. Teachers can't keep an athlete from participating unless a school administrator has approved the case. All appeals must go through the Commissioners.

1. Official rosters for each sport must be submitted to the District Athletic Directors office no later than Monday, after the second (2nd) scheduled league game. (Used for TitleIX and eligibility issues)
2. An athlete may switch from one sport to another before the official roster is due. Once the athlete makes one switch, they may not return.
3. New students may switch sports prior to the second (2nd) league game in which they are eligible to participate.
4. Specifically, by sport, participation is open to the following students:

Cross Country	3 rd , 4th, 5th, and 6th grade girls/boys
Football	5th, and 6th grade girls/boys
Volleyball	4 th , 5th, and 6th grade girls

DISTRICT CHAMPIONSHIPS

All team sport seasons (Volleyball, Basketball, Softball, Baseball, Football) will terminate at the end of the league schedule and there will be a championship game. Team trophies will be awarded to the league champions and District Champions.

1. Tie Breaker- The win/loss record at the end of the season will determine the division champion. If two teams or more tie with the same record, co-champions will be declared. To determine who will represent the division in the championship game or have a higher seed head to head will be the first criteria, the second criteria will be a record against the highest common opponent, followed by a coin flip by K-8 Athletic Director.

The individual sports (Cross Country, Wrestling, & Track) will honor champions as outlined below.

Cross Country: The fastest six (6) runners in each division receive medals, 7th – 12th receive ribbons.

Track: The top four athletes/teams in each event will receive ribbons at the District meet.

Wrestling: The top qualifiers from each league compete in the District Wrestling Championships. The six top wrestlers in each weight division receive medals. Cheer Championships are discussed in the Cheer section.

Pre-Season/Season Area Tournaments

Elementary teams are eligible to compete in tournaments outside their Area (excluding camps run by high/middle schools) provided they have first competed in their home Area's tournament, or if their home Area does not offer a tournament.(approved 12-8-2025)

WEATHER CONDITIONS

The K-6 Athletic Director will have the final determination pertaining to the cancellation and rescheduling of games/practice due to extreme weather conditions. Cancellation decisions will be made no later than 9:00 AM for weather. Real Time Air Advisory Network(RAAN) readings are made hourly. We will follow hourly readings until the noon time reading is posted and announce whether games are canceled following given guidelines. Note that if Purple readings come up again after noon reading games can be canceled or postponed during the game.

CANCELED GAMES

Every effort must be made to play scheduled games. If weather conditions prevent make-ups, a double forfeit will result, subject to review by the K-6 Athletic Director. No other game changes will be allowed. Re-scheduled games will be played the following Tuesday. If that game gets rained-out then the following Tuesday will be game day and so on until the game is finally played.

OFFICIALS

Site principals shall be responsible for the training and evaluation of all coaches.

Cut Policy and Squad Size

CUSD values the ideal of maximum participation, but the nature of interscholastic sports makes it necessary to limit squad size in some sports. When coaches make cuts, players are given every opportunity to discuss the outcome with the coaches involved. CUSD offers no-cut programs to accommodate those athletes who wish to participate on the interscholastic level. Although CUSD uses CIF state tournament regulations as a guideline for determining squad size, the actual size of the squad is left to the discretion of the coach with the approval of the Athletic Director.

Cutting Policy:

Responsibility

- Choosing the members of the athletic teams is the sole responsibility of the coaches of those teams.
- Lower level coaches shall take into consideration the policies as established by the Head Coach in a particular program when selecting the final team rosters.
- Prior to trying out, the coach shall provide the following information to all candidates for the team:
 extent of tryout period, criteria used to select team members, practice/time commitment needed if an athlete is selected to the team, and game commitments.

Procedure

- When a team cut becomes a necessity, the process will include these important elements:
 - Completion of a minimum of three practice sessions.
 - Each candidate will be informed of the cut by an evaluation letter showing strengths and areas to be improved on. Letters should be given out in a private manner. Suggestions are end of class, mailing, or as they are getting on the bus.
 - Teams are encouraged to have at least one intrasquad game or scrimmage prior to the cut.
- Cut lists will not be posted.
- Coaches will discuss alternative possibilities for participation in the sport or in other activities programs.
- If a coach foresees difficulties arising as a result of team cuts, he/she should discuss the situation with the Athletic Director.

GIRLS VOLLEYBALL RULES

Approved 5-26

Dimensions: Elementary School

Court: 30' x 60'

Net: 7'

Ball: Volleyball Lite

Diagram of Court

Number of Players: Six players on each side.

Scoring:

A point is scored by the team who wins the rally, regardless of who serves. A missed serve is a point for the opposing team. Games are played to 25 points and must be won by 2 points. A match is the best 2 out of 3 games. Teams flip for serve. If a 3rd game is needed, teams will flip for serve. In the 3rd game, once one of the two teams reaches 12 points, the teams will swap sides and continue to play from the same spot in their rotation to 25. This is not a time out.

Rotation of Players:

Rotation is made only after the opposing team loses serve. Players rotate clockwise on the court. The server continues to serve until a rally is lost.

Rules:

1. Players will have only one attempt to get the ball over the net on a serve.
2. The server shall stand with feet anywhere behind the baseline. Contact with the baseline ("foot fault") during a serve is a foul
3. Hands or forearms may be used during a serve attempt.
4. A ball touching the net and going over is a legal serve. (Called a "let" serve)
5. Any ball touching the net, crossing between the sidelines, remains in play.
6. Players may leave the court to play a ball outside of the court boundaries as long as she does not cross the line extended from the net.
7. Players must be in position to serve. After the serve, players may move from their respective positions. No back line player may spike or block at the net. Attacking the ball by a back row player must be done behind the 10' line.
8. Only 3 contacts are allowed before the ball is returned to the opposing team. Players may not touch the ball twice in succession. Exception: A ball that is partially blocked does not count as a contact and therefore may be touched twice by the blocker.
9. It is a foul when a player touches the net or steps completely over the center line under the net.
10. It is a foul when the ball momentarily comes to rest or is contacted for a prolonged amount of time by a player. This is called a "lift".
11. Multiple contacts are more than one contact by a player during one attempt to play the ball. Multiple contacts are only permitted if the first contact was an attempt to block, and on any first team hit, whether or not the ball is touched by the block. This is also called a "double hit".
12. A ball contacting any part of the line shall be considered in.
13. A team is allowed to substitute freely and an unlimited amount, the only restriction being a player once entered into the game, must remain in the same spot in the rotation and therefore would only be eligible to serve 1/6th of a full rotation.
14. Teams will be allowed 2 timeouts per game. Time outs are one minute in length.

Comments:

1. It is legal to use the fist in volleyball.
2. A point is not scored when the ball out of play is thrown over the net.
3. The server must wait for the referee to blow the whistle and hand signal before she serves.
4. Spiking is legal.
5. Home team emails scores to K-8 AD Gary Davis.
6. It is highly recommended that teams attempt to use all three contacts, and not purposely pass the ball back over the net on the first contact. This practice is counter productive and does not teach the skills players need to be competitive in the future. While the “overpass offense” is not illegal it is considered bad form and unsportsmanlike.

FIRST AID PROCEDURES

It is essential that coaches and trainers know the signs of heat exhaustion and heatstroke. The chart below should be reviewed frequently during the season when football and training hazards that accompany it are rare in the spotlight. It is recommended that short water breaks be scheduled every 15 to 25 minutes.

	<u>HEATSTROKE</u>	<u>HEAT EXHAUSTION</u>
FACE	Red and flushed	Pale
SKIN	Hot and dry	Moist
TEMPERATURE	Extremely high	Normal
PULSE	Strong and rapid	Weak and rapid

HEATSTROKE

Heatstroke is caused by high body temperature, salt loss, and dehydration. The body's mechanisms for dissipating heat will have stopped working, and a tremendous increase in body temperature will occur rapidly. Heatstroke is a medical emergency, and must be treated as a life-threatening situation. The signs and symptoms of heatstroke are as follows:

1. The victim may be dizzy, weak, mentally confused, euphoric, or have a sense of impending doom before becoming unconscious.
2. With little warning the victim may become unconscious.
3. The victim will have an exceedingly high temperature. The skin will feel hot to the touch. Rectally, the temperature will be above 105 degrees, and may reach 109 degrees F.
4. The victim's skin will be extremely dry and will appear flushed. The pulse rate will be strong and rapid.

FIRST AID PROCEDURES

Coaches and trainers must review first aid treatment with the team physician before the season starts. Because heatstroke is caused by the body's acute inability to lose heat rapidly, the following steps must be taken immediately:

1. Make immediate arrangements to have the athlete transported to the nearest medical facility. Severe neurological, circulatory, and hepatic (liver) conditions may occur if quick and definitive medical attention is not sought.
2. Remove all clothing and pads and place the athlete in the coolest available place.
3. Cool the athlete's body by any means possible. Many physicians recommend placing the victim in an ice bath. Any method, however, that would help lower the body temperature (cold water, chemical cooling packs, ice rubbed vigorously over the body) would suffice.
4. If the patient can cooperate, give cold drinks to aid in heat loss.

HEAT EXHAUSTION

Heat exhaustion is sometimes difficult to recognize. Its symptoms are generally less severe than those of heatstroke and vital signs may even appear normal. Coaches should look for the following signs to determine if the victim is suffering from heat exhaustion:

1. The victim may experience progressive weakness, inability to work, and loss of appetite.
2. The skin is usually moist and clammy, and may be pale or ashen gray.
3. The pupils may be dilated, and the pulse may be weak and slightly more rapid than normal (less than 100).
4. The victim is usually conscious, but it is not uncommon for fainting to occur.
5. The victim may be suffering from muscle cramps.

FIRST AID PROCEDURES

Heat exhaustion is an emergency situation, but it usually is not life-threatening. The following first aid steps should be followed:

1. The athlete should lie in the coolest available place and be given cool drinks.
2. Encourage the athlete to drink as much as possible.
3. Remove excess clothing and rub the athlete's body with a cool, wet cloth.
4. The athlete should be instructed to stay out of the heat for the rest of the day and be taken to a hospital in case of other complications.

Protocol and Procedures for the Management of Sports-Related Concussion

Guidelines and Procedures for Coaches:

- A. Recognize concussion
 - 1. All coaches should become familiar with the signs and symptoms of concussion.
- B. Remove from activity
 - 1. If a coach suspects the athlete has sustained a concussion, the athlete should be removed from activity until evaluated medically.
 - 2. Any athlete who exhibits signs or symptoms of a concussion should be immediately removed, assessed, and should not be allowed to return to activity that day.
- C. Refer the athlete for medical evaluation
 - 1. Coaches should report all head injuries as soon as possible, for medical assessment and management, and for coordination of home instructions and follow-up care to the following:
 - a. School Administration and school site nurse
 - b. Central East High School Athletic Trainer
 - 2. Coaches/School Administration should fill out a concussion injury report form and submit to both the school site nurse and the Athletic Trainer for records.
 - 3. Parent contact must be made to inform them of injury and make arrangements for them to pick up the athlete at the location where the injury occurred or make other arrangements to ensure athlete safety.
 - 4. In the event that an athlete's parents cannot be reached, and the athlete is able to be sent home:
 - a. The Coach or School Administrator should ensure that the athlete will be with a responsible adult, who is capable of monitoring the athlete.
 - b. The Coach or School Administrator should continue efforts to reach the parent.
 - c. If there are any questions about the status of the athlete, the Athletic Trainer at Central East must be contacted to further evaluate the situation and determine the proper plan of action.

"Heads-Up" 4-Step Action Plan:

- 1. Remove the athlete from play
- 2. Ensure that the athlete is evaluated by an appropriate health-care professional.
- 3. Inform the athlete's parents or guardians and school administrator about the possible concussion and given them information on concussion.

4. Keep the athlete out of play the day of injury and until the appropriate health-care professional says he or she is symptom-free and gives the okay to return to activities.

Subject Concussion Management

A. The student shall not return to athletic activity until he/she is symptom free for at least 24 hours, has been evaluated by and provides written authorization from an appropriate health care professional. The school's chief medical officer will make the final decision on return to activity including physical education class and after-school sports. Any student who continues to have signs or symptoms upon return to activity must be removed from play and reevaluated by their health care provider.

B. A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time and for the remainder of the day. A student-athlete who has been removed from play may not return to play until the student-athlete is evaluated by a licensed physician (MD or DO) trained in the evaluation and management of a concussion and receives written clearance to return to play from that health care provider (CIF BYLAW 313).

(PLACE ON YOUR SCHOOL LETTER HEAD)

From: (Athletic Trainer, Athletic Director, Coach)

Your Son/Daughter received a blow to the head today in practice/game. The following information is for their health and safety. Quite often after a blow to the head, signs and symptoms of a head injury do not appear immediately after trauma, but appear hours after the injury itself. The purpose of this fact sheet is to alert you to the symptoms of significant head injuries, symptoms that may occur several hours after the student has left school. If your Son/Daughter experiences one or more of the following symptoms after a head injury or the symptoms worsen, seek medical help immediately.

- The appearance of any of the above symptoms may signify that your son/daughter has a significant head injury that requires immediate medical attention. If any of these symptoms do appear, report to the nearest Emergency Room or call 911. Do not give any pain relievers (they may hide the symptoms) or allow your son/daughter to go into a deep sleep for the next 24 hours. Wake up you son/daughter every two (2) hours and ask several simple questions to check on their well-being.

How to Care for your Wrestling Mat

Maintenance

We recommend Ken Clean Plus to disinfect and lightly clean your mat. Your mat may discolor while cleaning, but the colors will return to its natural state after the mat is dry. We recommend cleaning your mat with Ken Clean after each wrestling session. Mildew is easily removed with Sherwin Williams Mil-Keen. For the first six months do not allow the mat to come in contact with moisture for an extended period of time. If the mat is sitting on a damp floor, plastic should be used as a barrier between the mat and the floor. Washing the mat will not hurt the surface unless puddles of water are allowed to sit on the mat for an extended period of time.

Storage

If your mat cannot be stored flat, keep it rolled on the storage tubes and use the approved wrestling mat straps. Never use chains, ropes, or wires to hold the mats. To reduce wrinkles, roll your mat from opposite ends and alternate rolling the mat from the top and bottom sides. Always roll the mat on tubes. **Never leave your mats stored on tubular mat transporters because it may create deep depressions.** Do not allow the mat to freeze.

Reconditioning

When a mat begins to show wear and tear it is important that it is fixed immediately. Always inspect your mat for any material defects such as: compressed foam, missing material, open seams, exposed foam core or missing vinyl paint. Small cuts and tears may be repaired with a Pinnacle Repair Kit. Should the wear or damage to your mat be extensive, please contact Pinnacle Athletic Mats for factory reconditioning.

Mat Repairs

Should your mat become damaged, you can repair it with a Pinnacle repair kit. Never use latex or oil base house paints. They will crack and ruin the mat surface. Order pinnacle mat glue and paint directly from us. The repair kit will include all you need to fix your mat and the instructions on how to do it.

SPIRIT PACK ORDER FORM – Template

All Spirit Pack items are optional. Our athletic program encourages participants to look uniformed and professional at all times. Therefore we offer many optional Spirit Pack items for players/parents to choose from. We encourage our athletes to participate in fundraising and other team activities to help off set any voluntary costs involved. Our program offers athletes financial assistance when requested in writing for those who have difficulty fundraising. All proceeds from the sale of the Spirit Pack items will go toward the team and its participants.

Under the California Constitution, the free school guarantee prohibits charging students any fee, charge, or deposit for curricular or extracurricular activities that are an integral component of the District or a school site's educational program. There are, however, specific statutes in the Education Code and other laws which identify definite circumstances when fees and charges are permissible. Nothing in the law prohibits voluntary donations, contributions, and fundraising by students and their families to support District and school site programs, so long as monetary donations, contributions, and fundraising activities are not made mandatory for students and their families.

Academic Probationary Slip/ Academic-Sport Ineligibility Slip

All athletes must maintain a 2.0 grade point average in order to participate in sports. Weekly progress reports have been collected from your child's teacher. Unfortunately, your child's GPA is lower than a 2.0 at this time (Probation). The probationary slip states that your child must work to bring up their GPA. However, if your child's GPA has not increased to a 2.0 by this Friday's report, the athlete will need to focus on academics and is not allowed to play in a game or travel beginning on that following Monday until his/her GPA is a 2.0 or higher (Ineligible).

CENTRAL SCHOOLS SPORTSMANSHIP AWARD

CONGRATULATIONS!

You have been selected by _____ Elementary as our Sportsmanship Athlete of the game today!

A great man once said, "The dictionary is the only place that "success" comes before "work." Hard work is the price we must pay for success. I think you can accomplish anything if you're willing to pay the price. A man can be as great as he wants to be. If you believe in yourself, have the courage, the determination, the dedication, the competitive drive, and if you are willing to sacrifice the little things in life and pay the price for the things that are worthwhile, it can be done."

Please share this with an important adult in your life-----

Congratulations---Your child was selected by student athletes from _____ as the SPORTSMANSHIP ATHLETE of the game today! The SPORTSMANSHIP Medal is earned by the student athlete who made wise choices and played with outstanding character during our game today. Thank you for helping your child to be a great person!
