A Message from the Principal

Dear Goldfarb ES Families,

We hope this message finds you and your family well. As part of our ongoing efforts to ensure transparency, inclusiveness, and shared decision-making, we invite you to participate in the upcoming School Organizational Team (SOT) Elections. The School Organizational Team plays a vital role in shaping the future of our school. Team members work closely with the principal to provide input on important matters such as the school budget, staffing, and academic plans. Parent representation is especially important, as it ensures that the voices and perspectives of our families are heard and considered. We are currently seeking nominations for parent/guardian members to serve on the SOT. All parents and legal guardians of students currently enrolled at Goldfarb ES are eligible to nominate themselves or others. Elections will be held on September 7-11. Nominations are open until September 3.

Submit a Nomination here: <https://forms.gle/oEQiK6G5Us8uJmVx6>

Your involvement can make a meaningful difference in our school community. Whether you choose to run, nominate someone, or vote in the election, we encourage your participation. Thank you for your continued support and partnership in your child's education.

Warm regards,

Dr. Fernandez

Begin the school year with a commitment to attendance

Regular attendance is vital for academic success. Because lessons build on each other everyday, missing school can create gaps in learning. Being present also helps your child develop social skills and form the strong peer friendships necessary for a happy school experience. Please help your child develop strong attendance habits. This is also a life skill that they will need once they are in the workforce or business force.

Safety of our students is a priority. Please help us keep everybody safe.

Here are some tips:

Arrival and Dismissal - Please remind your child/ren to always use the crosswalk when crossing the streets.

It is against the law to make a U-TURN in a school zone. We have so many students who walk to and from school, so please be very careful and vigilant when driving in a school zone.

Double parking is not allowed. Please adhere to traffic rules.

If your child rides a scooter to school, please remind them of scooter safety.

Respect. Overcome. Achieve. Radiate
