We are so excited for our elementary school students to have breakfast and lunch at no cost, all year long!

Mozzarella Cheese is the most popular cheese in America. It is packed with calcium and helps build strong bones! It is also high in Vitamin B-12. Vitamin B-12 helps your body make the energy you have to keep moving daily!

Labor Day is a holiday that is celebrated on the first Monday in September every year. It celebrates everyone who works hard to help society operate.
